Thayer's Thoughts

New classmates, New teachers, New class schedules, New lockers, New faces, New opportunities for success--Yes it is the start of a New School Year. It is so exciting to begin fresh.--where else in society provide this opportunity??. Everyone begins with a clean slate. Students can make the decision and commit to earn better grades, to be active in more activities or take on a new hobby. School is a great place to practice skills needed in life. I know that I am anticipating an excellent school year with a group of great students.

7th Grade and New Student Orientation

In conjunction with the Guidance Department, new this year is a night set aside for 7th grade students as well as any new student to become more familiar with the school and their class schedule. This is an opportunity to walk the halls and ask questions. A parent or guardian should plan on accompanying the student. The date has been set for **Monday, August 13, 2007 beginning at 7:00 pm.** The plan is to begin in the band room for general questions then allow time for students may find classrooms and walk through their schedule.

Materials Coming Home the First Day

Parent/Student Handbook

Please take time to read through the student handbook. This outlines the policies and expectations of your son/daughter. Please sign and return the form stating that you did review the student handbook. It is located on the last page.

K12 Planet – Student and Parent Access

All students are able to access their grades via the internet. Teachers are required to post updated grades by Monday noon. Changes to K12 planet take affect each morning after the upload scheduled for 7:30 am. Parents that would like access the system need to have an email account. If you would like to an account, please call the office. Those with current accounts, you may continue to use your same user name and password.

Email Contact Form

Is it easier for you to communicate through email? Sometimes just a quick note to or from a teacher helps resolve a question or gives you an update. This may be one option for you. The school is beginning to compile a data base for parent email.

Band is Tuning Up to March

Band under the guidance of Mrs. Ann Chesley is beginning summer practice. Band will continue to be last period of the day. Some of the reasons behind this change is that it is warmer in the afternoon to practice marching. If needed, students can spend an additional 10 minutes on the field after school then go to other activity practices. Bus students will be excused at the normal time. An additional reason is students can set up for concerts and sports events at the end of the day, thus leaving the gym available for the day time activities and finally the number of classes interrupted for sports activities is minimized. Fostering Education

IS IT REALLY TIME TO START SCHOOL?

I can't believe that we are getting ready to begin another year of school, my 3rd year as your principal. I hope everyone had a restful and relaxing summer break. I hope everyone feels recharged and ready to have a great school year.

I'm looking forward to seeing all of the kids, I've really missed them. We've had several new kids register for our school. The maintenance and custodial staff have been busy putting on the finishing touches to the buildings. The school looks great. Welcome back everyone. Let's have a great year!

BOX TOPS FOR EDUCATION

Please remember to save the

box tops that are found on many different food items. They allow us to earn money for our school. This is another great way to help our school.

QUOTES TO THINK ABOUT

Success starts small, but the more you feed it and water it with a winning attitude, the bigger and faster it grows.

What you do today will determine where you stand tomorrow. If the roots are weak,

Hunter Safety Course

the tree will fall down. Create a strong foundation.

A Hunter Safety Course will be offered at Heming-

ford Public School. Together we can make a difference for kids

the end of this month. Call us with any questions at 487-3330.

The course will be held during the last weekend of August. On Friday, August 24th, there will be a session from 5:00 PM until 8:00 PM. Then again on Saturday, August 25th, from 8:00 AM until ?. Contact Ken Hennings for more information and to register.

Notes from Mr. Ningen, August 2007

There are some new faces at school this year in Hemingford, on the faculty, and in our classes. Just this morning, our kindergarten enrollment had risen to 31 new faces, as two new families came to register.

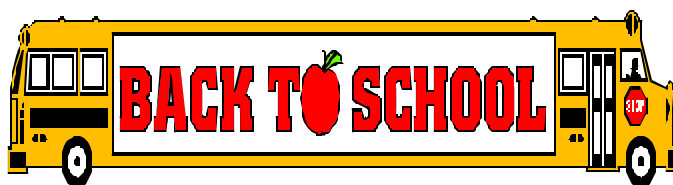

It is heartening to see the new families calling the panhandle home, or making the decision to send their children to our school. We continue to thrive because of the sacrifices made by patrons, the trust put forth by parents, the efforts by staff members to grow each year, and the positive attitudes from all of our students. Be sure and make all of our new students feel welcome here! We really are blessed with a good school.

On the faculty, there will be a few new faces as well, with three changes in the high school, and one in the elementary. **Mrs. Densise Watson** will be our school's new Title One teacher. She lives in Alliance, and has taught most recently for the Scottsbluff Public Schools.. Two new teachers will be coming to us from the Alliance Public Schools, with **Mr. Randy Hiemstra** serving here as a Physical Education Instructor and as our Activities Director. He is a long-time coach, and also has served as an assistant principal. Teaching English and sponsoring National Honor Society will be **Mrs.**

Cathy Fingar, who also taught at HHS a few years back. Mrs. Fingar will also co-chair our school improvement committee. There will also be a new social studies instructor that will be hired this month in the high school.

There will be 15 students in pre-school this year, as our school makes a transitional move to having separate morning and afternoon sections in 2008-2009. There are 31 kindergarteners, which is a wonderful number, as well as 17 new elementary students in grades 1-6. In our Junior-Senior High School, there will be 12 new students as well. There always seems to be a number of families that leave each year as well, so the incoming numbers need to be tempered with those of friends and families that are leaving us, but overall, it looks like our school enrollment will increase for the second straight year, after several years of declining enrollment.

I want to remind parents to stay in touch with our faculty,

and I want our faculty to remember to stay in touch with our parents.

Remember that all athletes must have a parent permission slip signed and a physical completed before they can participate. Parents are also encouraged to check their health insurance policies to determine if their policy covers interscholastic athletics. A very reasonable insurance policy is available through the school for those who need insurance.

Junior high sports will begin after school starts. Junior high practices will be held after school. Junior high athletes also need a physical and a signed permission slip before participating.

Students who may be new to Hemingford District #10 can contact the Athletic Director, Randy Hiemstra, for further information.

Volleyball Practice

There are a few things I would like to let everyone know about VOLLEYBALL this year.

1. Just a reminder to all girls interested in playing volleyball this fall. You need to have a physical prior to practice. If you don't have a physical, you will not be allowed to participate and any practices you miss will have to be made up.
2. Conditions practice will start on the 2nd of August and will start at 7:00am. Conditioning will last approximately one (1) hour.
3. Fall practice will start August 13 at 6:00am to 8:00am.

Any questions, give me a call

Thanks Lisa Janssen, Head Coach

If you are in 2nd Grade through 4th Grade you still get to choose from 3 great meals -- Main Entrée, salad or cold sandwich with the tray. Parents can join their students for lunch, but please call the school and inform them so that enough food can be prepared.

The Hemingford School District will continue to provide great start breakfasts and hot nutritious lunches to students through the National School Lunch Program. The school district requires meals to be paid for in advance. **Breakfasts prices for meals are \$1.05 for grades K-12, and \$1.30 for adults. However applications may be submitted anytime during the school year if your income changes.

Parents will have until September 15th to put money into their family account. If you wish to have your children in separate accounts, you must inform Sandy before school begins. Parents may establish accounts before school begins by contacting Sandy Haas in the Administration office.

As always our policy is no charging. We always try to assist the students where possible, but we must have parent's cooperation also. We expect you to have a positive balance in your account before participating in the Hot Lunch program.
