## Mr. Arneson-Elementary Principal

Welcome back! I hope everyone had a wonderful and relaxing summer. This school year is going to be fantastic!

We have a few new staff members in the Elementary building this year. When you get a chance, introduce yourself and get to know them. They are going to be great additions to our school.

6<sup>th</sup> Grade: Danielle Roland

Title I: Lauren Freire

Resource: Emma Harris

Computer: Josh Dean

Speech: Michelle Hoxworth

Paraprofessional: Michelle Kluver

The elementary school will be incorporating the solar eclipse into our school day on the 21<sup>st</sup>. Each student will be provided with a pair of special viewing glasses so they may safely watch the eclipse. A permission sheet will go home with each student to allow them to participate in activities that day.

Our school day will again begin with the students having free time in the back of the school. I would like to invite students to eat breakfast and then come out to play. There will be lines marked for each teacher that the students can set their belongings down. When the bell rings each student will gather their things and wait to be escorted into the building. Middle school will line up by the modular classrooms. Students should not arrive earlier than 8:00. This helps us with having the correct number of staff members out for supervision.

Parents, I am thankful for everything that you do to help make our school successful; making snacks, reading to your child, going over spelling words, the list goes on. Please feel free to contact me as the year progresses. With everyone working together, we can make this school year amazing.

I can't wait to see everyone again,

Eric Arneson

## Hot Lunch

Breakfast is served at 7:45 AM each morning, with hot meals being served 3 times a week. Breakfast is a great way to get the mind ready for learning. Both breakfasts and lunches qualify for free and reduced price meals. Parents can join their students for lunch, but please call the school and inform them so that enough food can be prepared.

The Hemingford School District will continue to provide great start breakfasts and hot nutritious lunches to students through the National School Lunch Program the school district requires meals to be paid for in advance. Breakfast prices for meals are \$1.55 for grades K-12, and \$2.05 for adults. Lunch prices for meals are \$2.05 for Pre-K , grades K-6, \$2.30 for grades 7-12, \$2.60 and \$3.75 for adults and \$.40 for afternoon milk.

Applications for free and reduced price meals will be sent home with students on the first day of school. You must file for free or reduced meals each year. Students who were on free and reduced lunches last year have until September 30th to reapply and can still receive free or reduced meals until October 3rd. New applications should be returned as soon as possible as the free or reduced meals begin the day you submit it. However applications may be submitted anytime during the school year if your income changes.

***REMINDER: All family accounts need to have a positive balance on the first day of school for your child (ren) to be served a tray!!***

***No exceptions!!!***

**Attention:** There will be no extras after \$10.00 owed and no tray will be served if your account is a negative \$20.00 or more.

Farm to School: For all the gardeners that need to get rid of the extra vegetables you can bring them to the school cafeteria. We will put them to great use !!

## Hot Lunch News

**Dear Students, Parents, and Staff,**

Students have control over the food choices they make in the cafeteria every day. The school food service staff will work hard to provide appealing, nutritious foods for breakfast and lunch. You choose what you eat. Please make good choices.

By participating in the National School Meal Program we receive reimbursement for offering meals that meet a required meal pattern. Receiving this reimbursement assists us in keeping meal prices affordable. This meal pattern requires certain food components to be offered. These food components include: **Meat/Meat Alternative, Grains, Fruits, Vegetables, and Milk.** For each food component, portion sizes are required though school may offer more.

According to Federal regulations, you do not have to take all of these components. Breakfast will consist of at least three **items** on your tray. For lunch one may choose only three or four **components**, with **at least one** of these being a fruit or vegetable. The components must be taken in at least minimum quantities for the meal to qualify for reimbursement. This serving option is known as **OFFER VERSES SERVE**. The school food service **offers** all five components, but can serve fewer. The main reason for allowing you to decline foods that you don't intend to eat is to cut down on food waste and cost.

Jr. High and High School Students will have an opportunity to forgo the main entrée this year but then will be asked to pick up a pre-made chef salad or make their own. It will contain the three components required for a qualified lunch.

Soup will also be served to Jr. High, High School, and Staff but will not count as a component. Elementary students will have soup to look forward to as they approach Jr. High. This is for their safety (not getting burned) as it does get hectic in the lunch room.

There will be a few new and different meals this year. Please at least give them a try. If you have any other ideas please bring them to me. Hope we can all enjoy.

Thank you,

Phyllis Jesse

Food Service Manager

### For All Parents/Guardians

- Make sure immunizations are up-to-date.
- Review hygiene tips to prevent the spread of infections.
- Establish a bedtime and wake-up time to ensure adequate and consistent sleep.
- Develop a routine for homework and afterschool activities.
- Eat breakfast each day at home or at school.
- Help make appropriate clothing choices (for example, wear comfortable and safe shoes).
- Keep an open line of communication with your child to ensure that he/she remains safe at school. If a concern arises (such as bullying), contact the appropriate school officials immediately.
- Get involved! Sign up for the parent organization (PTA/PTO), school Wellness Committee, and mark events such as back-to-school night and parent/teacher meetings on your calendar.
- Ask about the school or district's wellness policy (for example, how does the school address nutrition, activity, stress and mental health concerns).
- Advocate for your child to have a school nurse all day, every day by communicating this message to school administrators and decision-makers.

### If Your Student Has a Health Concern

- Make your child's health concern known to the school and school nurse.
- Introduce yourself and your child to the school nurse.
- Bring current signed healthcare provider orders for treatments and all medications to be given at school. Bring the medication in the original pharmacy container.
- Together with the school nurse and other appropriate school officials, and family develop an individualized healthcare plan (or other educational plans, as needed, e.g., 504, IEP).
- Give permission for the school nurse to communicate with your family's healthcare provider.
- Provide parent/guardian contact information and update the school with any changes.
- Ask if non-nurses will be providing care (for example, verify who will administer medication) and how these authorized individuals will be supervised.
- Confirm the school's disaster/emergency plan. Make sure your child's medication and/or medical devices (epinephrine auto-injectors, asthma inhalers, insulin, etc.) will be readily available in an emergency.
- Let the school know how important it is to have a full-time registered school nurse in the building all day, every day.

# School Nurse-Back to School Notes

## NOTES FROM THE SCHOOL NURSE:

-Kindergarten entry and 7<sup>th</sup> graders must complete a physical exam within 6 months of the beginning of school.

-Students in grades 7-12 participating in sports are required by the Nebraska School Activities Association to submit a physical examination completed after May 1.

-Asthma/Allergy action plans: all students with asthma or severe allergy are required by the state of Nebraska to submit an asthma action plan that is completed by their parents, the students, and the students' primary care physician.

-Diabetes Management: students with diabetes are required to submit an annual management plan authorized and signed by the parent, the student, and the student's provider. Self-management consent forms are available at the school office.

-Seizure Action Plans: all students with a diagnosis of any type of seizure disorder must submit an action plan to the school as authorized by your physician.

-Medication administration: students that require **PRESCRIBED** medication administration while at school are required to submit written authorization for the school nurse that is signed by the parents and the student's **DOCTOR**. Forms are available at the school office.

### Over the Counter Medications:

Hemingford Public Schools is allowed to accept signed parent consent for acetaminophen (Tylenol-type) and ibuprofen (Motrin-type) products. This means that a physician's prescription or authorization will not be required for these two medications in normal, weight-appropriate doses. Before your child may receive any medication from us, you must have a signed consent on file in the school health office. Participation in this medication project is voluntary. The school will provide supplies. If we do not have consent on file in the nurse's office, we will call you for permission to provide medications as needed.

### Products for topical application that may be used:

- Skin Lotion
- saline eye solution
- Deodorant
- Sting-Kill Swabs
- Vaseline
- Generic topical antibiotic
- Aloe Gel
- Rubbing Alcohol
- Hydrocortisone 1% topical
- Topical diphenhydramine
- Saline/Wetting solution for contact lenses
- BleedCEASE

## PHYSICAL EXAMINATION, VISUAL EVALUATION, AND IMMUNIZATION REQUIREMENTS IN NEBRASKA SCHOOLS

Nebraska Revised Statute 79-214 (3), 79-217 and Chapter 3 of Title NAC, Control of Communicable Disease (Revised) require:

**Physical Examination:** Evidence of a physical examination by a physician, physician assistant, or an advanced practice registered nurse within 6 months prior to the entrance of the child into the **beginner grade and the seventh grade or, in the case of a transfer from out of state, to any other grade.** No such examination shall be required of any child whose parent or guardian objects in writing.

**Visual Evaluation:** Evidence of a visual evaluation by a physician, a physician assistant, an advanced practice registered nurse, or an optometrist within 6 months, prior to the entrance of the child into the beginner grade or, in the case of a transfer from out of state, to any other grade. Contact the school nurse or call 436-1657 for information regarding free or reduced-cost visual evaluations for families who qualify. No such evaluation shall be required of any child whose parent or guardian objects in writing.

**Immunization:** Evidence of protection against diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, Hepatitis B, and varicella, in schedules of doses conforming to state guidelines, are required of all students in all grades. A signed statement of past history of chicken pox disease; including year of illness may be submitted to meet the varicella requirement. Beginning July 2010, one Tdap is also required for entry to 7th grade.

The cost of physical examination, visual evaluation, and immunization shall be borne by the parent or guardian.

The statute further provides that immunizations will not be required for a student's enrollment in any school in the state if he or she submits to the school any of the following:

- (A) A statement signed by a physician, a physician assistant, or advanced practice registered nurse stating that, in the health care provider's opinion, the immunizations required would be injurious to the health and well-being of the student or any member of the student's family or household.
- (B) An affidavit signed by the student, or if he or she is a minor, by a legally authorized representative of the student stating that the immunization conflicts with the tenets and practice of a recognized religious denomination of which the student is an adherent or member or that immunization conflicts with the personal and sincerely followed religious beliefs of the student.
- (C) For measles, mumps, rubella, or hepatitis B, laboratory evidence of immunity, including name of laboratory, date of test, name of test, test result, signature of lab technician or laboratory director, and date of signature. For the purposes of the statute, clinical history of the disease does not constitute evidence of immunity.
- (D) A student may be provisionally enrolled in a school when:
  - 1. The student has begun the immunizations required and continues to receive the immunizations as rapidly as is medically feasible.
  - 2. The parent or guardian of a student meeting the military requirement in section 79-222 submits a written statement certifying that the student has received the required immunizations and proof of immunization is given within 60 days.

**Please note:** In the event of an outbreak of a communicable disease, unimmunized students will be excluded from school. Waiver forms are available in the school health office.

## SchoolWay

In an effort to improve the efficiency of school communications to parents and students, Hemingford Schools is phasing into using School Way powered by Jostens. School Way is a free app that is downloaded to a mobile device that will receive alerts sent out by the school. The communication will occur through School Way in the 2017-2018 school year and ***phone calls will no longer be made***. As always, you can receive school alerts through the school Facebook page, website, and local radio stations.

Please see the attached flyer to begin using School Way today! If you have questions about how to set up call Mrs. Wood or Mr. Arneson (308) 487-3330.

## JH Football Parent Letter

2017

JH Football Parents,

Just a few friendly reminders:

- Informational meeting for the players in Brummer/Gomez Science Classroom @ 8:00 am before school starts on Friday August 18th. This is just to get a list of who is playing with contact information and let the kids know our expectations. We will wait till bus riders get there to start the meeting.
- First practice Monday. August 21st. Will check out equipment before practice so plan on practice ending a little late.
- Helmets only first 2 days (21st and 22nd).
- Office must have physical on file to participate.
- We will Practice M-F.
- Practice time Mon-Thur is after SST @4:00. Practice ends @5:30. Pickup @5:45-6:00 (after showers).
- Encourage your child to attend SST between school and practice. Attending SST everyday (even if their grades are good) will help keep their grades up and eligible.
- There is no SST on Fridays. Friday practice starts @3:30, ends @5:00. Pickup @ 5:20.
- Must have mouthguard molded in order to practice on Wednesday August 23rd.
- Half-rack (shoulder pads, helmet and shorts) Wed. 23, Thur. 24
- Full pads starting Friday, August 25th.
- I understand that many are traveling to watch the HS varsity games. I encourage the kids to attend all the HS games. We will still have practice but have your child let me know if they will be missing practice due to travel time.
- There will be no practice on Labor Day.

Thanks for all your support this season,  
Coach Brummer and Coach Gomez

Child Find is a community wide effort to provide opportunities for children with disabilities. The purpose of Child Find is to identify children between birth and 21 years of age who may have individual needs that result from disabilities. The local school district works in cooperation with the medical community and other service agencies to locate children with disabilities in our area. Services are available for any eligible child including those who are home schooled. Any information you provide regarding a child will be kept confidential as required by local, state, and federal law. If you live within the Hemingford School District and have or know of a child who may benefit from special education or related services, please contact Mandy Plog, Hemingford Special Education Director, at 487-3330 for details on the referral process.

## Solar Eclipse-August 21, 2017

The solar eclipse will be Monday, August 21, 2017. It will be a one time experience for everyone. The school will provide glasses for everyone's protection. Please fill out the Parent permission form for your children and return to the school.

Thanks,
