

## Mr. Isom-Superintendent

One of the processes during the transition with the new administration, NASB provided the opportunity for the board and administration to sit down and develop goals/plans to move the district forward.

The board developed the following goals:

- 1-Create a plan to upgrade/expand facilities to provide adequate space in a safe and healthy learning environment for all students.
- 2-Develop a timeline to guide the facilities plan including deadlines to:
  - a. Locate architectural plans from previous discussions for review
  - b. Reach out to the Ag Society to research option for expanding to the area west or north of the current building.
  - c. Contact architect to begin discussions about current needs for space, maintenance, parking, etc.
  - d. Schedule stakeholder forums and local business site visits to promote the plans and encourage support
  - e. Research and define budget scenarios to maintain fiscal responsibility to patrons
- 3-Explore options for appropriate use of E-rate funds and move forward with a plan.

The board has reviewed the drawings that had previously been utilized in possible solutions to the growth of the district. We have also met with an architect and directed them to improve on the drawings and start to develop a vision to help with our building needs.

The modular have served their usefulness. Our elementary classrooms are full, and we need to expand. We are in need of an elevator for the two-story building.

My next article will deal with the educational leadership goal.

## Mr. Kluver-High School Principal

---

I wanted to start by thanking all the parents and students that attended the Fall Parent/Teacher Conferences held recently on October 24th, 2018. Many important conversations that occurred between parents and teachers and I am encouraged by the increase in attendance as well. Please keep March 13th, 2019 available for our Spring Parent/Teacher Conferences from 2pm to 8pm.

First quarter has come and gone, so it is very important for our students to really concentrate on their grades. Remember students must have a 70% average (50/50 average of first and second quarters) for the semester in order to receive credit for their classes. Those students that are struggling should be meeting with their teachers before or after school during SST (7:45-8:00, 3:45-4:00) or other times as arranged. Do not let the semester go on too long before you seek out assistance.

We are continuing to work on increasing our course offerings for students. If you have any questions about what classes we offer now and what classes we could possibly be offering in the future, please email Mr. Kluver ([dkluver@gubn.org](mailto:dkluver@gubn.org)) or Mrs. Hucke ([rhucke@gubn.org](mailto:rhucke@gubn.org)).

Congrats to a successful season for our fall sports teams, Cross Country, Football, and Volleyball. Good luck to volleyball and football in the post-season. You have done an amazing job representing your school, your families, and your community.

## School Within a School Program

---

Be on the lookout in the December newsletter for an Application for Hemingford's School within a School Program for students to be allowed to take online courses through Odysseyware. Online courses could be taken because 1) You failed a course and need to make up that credit OR 2) you want to take a class that Hemingford does not traditionally offer. More information will be included in the December newsletter.

## Mr. Arneson-Elementary Principal

---

A few reminders from Mr. Arneson

Thanks for everyone who attended conferences. It's great to have a wonderful turnout.

The time change on November 4th will mark the end of shorts for our elementary students. Please make sure everyone has long legwear as we do go outside even when it is cold.

On Monday, January 7th, the elementary teachers will be hosting a presenter for a writing curriculum we are implementing. This work day will aid the teachers with specific instructions on how best present the curriculum to the students. On this day, the elementary school will not be in session, however, preschool and 7-12 will be. Also, as per our bus policy, preschool students who do not have an older sibling to ride with cannot ride the bus. If you are planning on keeping your preschooler home that day, please notify the school.

We still have a lot of items in our lost and found. It would be helpful if you wrote your child's name in their coat so if it is misplaced we can get it back to them.

## School Cafeteria

---

The Cafeteria Staff would like to thank the following for donating farm to school.

School greenhouse/lettuce

Deb Campbell/tomatoes, onions, cucumbers, pumpkins

Dawn Oetken/tomatoes

Nancy Horstman/tomatoes

Lynn Weldon/zucchini

Sami Hopes/zucchini

Alaina Schaneman/tomatoes, lettuce, cucumbers, zucchini

It was all put to good use. Fresh is better!

Food and Fitness for a Healthy Child

November 2018

Hemingford Public Schools

## BEST BITES

### Brussels sprouts time!

Brussels sprouts are in season, and they're a good source of fiber, B vitamins, and potassium. Your youngster may enjoy these cute little cabbage cousins roasted in the oven. Cut 8 oz. brussels sprouts in half, then let him toss them with 1 tsp. each olive oil and lemon juice. Bake at 400° for 25 minutes, sprinkle with grated Parmesan cheese, and bake 5 minutes more.

### Walk and learn

This idea combines physical activity, learning, and family bonding. Go for walks together, perhaps after dinner or on weekend mornings. While you walk, discuss books you're reading, give each other math problems to solve or words to spell, or have your child explain a science concept she's learning in school.

### DID YOU KNOW?

November is the National PTA's Healthy Lifestyles Month. If your youngster's school is participating, make plans to attend the family activities. Or celebrate on your own by squeezing in extra fitness fun—ride bikes, roller-skate, or go bowling, for example.

### Just for fun

**Q:** Why was the refrigerator tired?

**A:** Because it was running all day.

## Handling fast-food temptation

Does life in the fast lane mean your family winds up in the drive-thru more often than you'd like? Try these tips to work around the temptation of fast food—and help your child learn to make healthy choices in a pinch.

### Tame the habit

Consider cutting back on how often you eat fast food. If you normally get it twice a week, you might drop down to once a week. Tell your youngster ahead of time so she doesn't expect it as often. Explain that you want to eat better and that fast food is often high in fat and sodium.

### Plan ahead

Let your child choose healthy snacks to keep in the car, such as nuts, rice cakes, and plain popcorn. You might also plan errands for after mealtimes, or have your youngster eat a nutritious

snack at home before you head out. You'll be less likely to stop for fast food if your family isn't hungry.

### Order carefully

If you do get fast food, choose grilled chicken rather than fried, a whole-grain bun or tortilla, and fruit or vegetable sides. Suggest that your child request toppings like mustard or extra tomato slices instead of mayonnaise or bacon. *Idea:* Share "sometimes" foods. Get a small order of onion rings for the whole family. Or ask for a milkshake with extra cups, and divide it up for dessert. ●

### Make an activity pyramid

Creating and hanging up this homemade poster will motivate your youngster to fill his days with fun physical activities.

1. Have him draw a large triangle and divide it into three horizontal sections.
2. In the bottom part, he can write activities to keep him moving every day. *Ideas:* Play outside with friends. Jump rope. Shoot baskets.

3. In the middle section, let your child add things that take a little more time. *Ideas:* Organize a kickball game. Go for a hike. Visit a playground.

4. On top, he could list special-occasion or seasonal activities. *Ideas:* Climb a rock wall. Go sledding. Swim.

5. Suggest that he choose at least one activity from the bottom row each day, one from the middle every week, and one from the top once a month. ●

## Read the cafeteria menu

“That sounds delicious—and nutritious!” Make a routine out of reading the school breakfast and lunch menus together to get your child excited about eating healthy foods in the cafeteria.

**Talk about options.** Encourage your youngster to spot familiar foods with healthier twists like pizza with turkey pepperoni or “zoodles”—spaghetti “noodles” made with zucchini. Discuss what

makes them better for him (turkey has less fat than pepperoni made from pork, zoodles are a green vegetable).

**Try new things.** Which foods sound tastiest to your child? Maybe he’s excited about Monday’s macaroni and cheese or Friday’s fish sticks. What new foods is he excited to try? If items are unfamiliar to him, such as sloppy joes or chicken tetrazzini, help him look them up online so he’ll know what to expect. After he tries them, have him tell you which ones he likes best. Then, consider making them at home. ●

## PARENT TO PARENT A Thanksgiving helper

Growing up, I often joined my parents in the kitchen when they cooked, especially on holidays. I wanted my son, Chase, to be part of our Thanksgiving preparations, so last year I appointed him my kitchen helper.

I gave Chase jobs like washing fruits and vegetables, and I shared a

“secret” family recipe with him. He loved hearing how my grandmother

worked her magic to create delicious cranberry sauce. Together, we read her recipe, and Chase helped me make it. I even captured the moment with a photo of two smiling cooks.

At dinner, Chase was so proud when his aunt said the cranberry sauce tasted like Grandma’s. This year, he’s already asking if I have more secret recipes to teach him! ●

## ACTIVITY CORNER Let’s build a maze

Put an active spin on your youngster’s play by creating mazes together in different locations. Designate an entrance and an exit, and encourage your child to navigate her way out.

● **Hallway.** Work together to tape crisscrossing streamers or toilet paper to the walls. Your youngster can try to step over the streamers or crawl under them without breaking the “spiderweb” maze.

● **Living room.** Have your child use pillows, blankets, and furniture to make a maze. She might drape a blanket over the space between the coffee table and the couch to crawl under, for example. ●

## IN THE KITCHEN Lighter casseroles

Casseroles are a go-to staple on many dinner tables. Enjoy these healthier versions of two family favorites.

### Beef and rice

Cook 2 cups brown rice according to package directions. In a large skillet, brown 1 lb. lean ground beef. Drain the fat, and return to the pan along with  $\frac{1}{4}$  cup each chopped onion, carrot, and celery. Sauté the veggies until soft, about 5 minutes. Transfer the mixture to a greased 2-qt. casserole dish, and add 1 28-oz. can diced tomatoes (drained) and the rice. Sprinkle with  $\frac{1}{2}$  tsp. pepper,  $\frac{1}{4}$  tsp. salt, and  $\frac{1}{4}$  tsp. paprika. Bake at 350° for 20 minutes.

### Tuna noodle

Boil 8 oz. whole-wheat egg noodles for 8–10 minutes. Drain, and set aside. In a bowl, mix a 10.75-oz. can reduced-fat cream of mushroom soup and  $\frac{1}{2}$  cup skim milk. Add a 12-oz. can tuna (packed in water, drained), 2 cups frozen peas, 6 oz. sliced fresh mushrooms, and the noodles. Pour into a greased 2-qt. casserole dish.

Top with  $\frac{1}{4}$  cup soft whole-wheat bread crumbs, and bake at 350° for 30 minutes, until browned. ●

## Message from Chamber President, Kathy Gettert

Greetings Friends and Neighbors!

Hopefully no one blinked and missed 2018, because we are already a third of the way into the last quarter. One of the great things about living in a small, rural community is that the pace of life is a little slower and more laid-back, but I'm thinking if this is slower and more laid-back, I don't ever want to experience the fast-paced city life!!

In spite of how quickly the year is flying by, we've had lots of fun and exciting activities happening in our little community! Return favorites such as Town-wide Garage Sales—with the addition of the Junk Jaunt, Memorial Day Activities including Bobcats Beating Cancer Tournament and Silent Auction, Box Butte County Fair and Parade, and the awesome family event - Harvest Moon Fall Festival, to name a few. Great

new events that were enjoyed by so many folks were the second annual Treats on the Street for our little citizens and Band on the Butte, featuring the Johnny Cash tribute band, Cold Hard Cash. Hope you didn't miss this one. what an awesome evening!

Activities that are still to come are Kris Kringle Christmas Boutique, 2<sup>nd</sup> Annual Believe in Hemingford Christmas kick-off event and the Hemingford Schools' sponsored Community Soup Supper. And of course ALL the wonderful events provided by Hemingford Public School students, round out a very busy calendar of events!!

It is exciting to see new businesses coming into our community, as well as gratifying to be served by many, many long-time merchants as well. Remember to support

these locally owned businesses – they are here to serve us on a daily basis and contribute much to our local economy!

You also may have heard, the Village of Hemingford is working with Genpro Energy Solutions on a proposed Community owned solar project that would enhance our city owned electric system and offer great benefits to our community in the future.

Hemingford is a great place to live and work and we hope you appreciate all that it has to offer!! The Hemingford Chamber of Commerce and all the member businesses that make up the Chamber are very thankful and appreciative of the support we get from this awesome community!! Enjoy the fast approaching holiday seasons and we will see you in 2019!

## IN HEMINGFORD

Thank you to Marcie and Chris Thomas for creating this incredible Tree Memorial for the community in honor of the Arbor Day Celebration.

### What does it mean to have a local Newspaper?

The Hemingford Chamber of Commerce proudly supports its members and we wanted to share that support, in particular for the Hemingford Ledger.

In this time of social media, most news is instant and we become accustomed to it; what instant news does not do is support your community like our local newspaper, The Ledger does.

The Ledger prides itself on the work it does and presentation each week that is made through the newspaper. Newspapers across the Nation are seeing fewer and fewer subscribers. The Hemingford Chamber is reaching out to ask you to support a local business and keep our local paper.

It is a small price to pay for a year's subscription; with this subscription you have the latest news surrounding your town, sports coverage, ads that feature your local businesses and so much more. We take for granted the awesome coverage the Ledger provides, week in and week out, and how much we would miss that local coverage and all those photos if they weren't here.

Whenever there is an event that needs advertising and support The Ledger is right there to support the many good causes our great community supports also.

Please consider renewing or purchasing a subscription to The Ledger – Box Butte County's Family Newspaper. Let's keep our Local Newspaper! Shop Local – Support your Community!
