Coach Notes
"Deja Vu all over again" to quote Yogi Berra. Another close game that did not come out the way we hoped. I did not feel our energy level was as good as it has been, especially in the second half. I should have adjusted our defensive strategy better so Phillip Kuehn didn't have the ball in his hands so much. His 16 second half points were key for them. I thought once we got the game tied again late fate would fall our way, but they made a play at the end and we couldn't answer"
"Three of our four losses have come down to us making just one more play and having 3 more wins. That's the perspective we need to keep; one play going our way in each of those games and we are 4-1 and feeling pretty darn good about ourselves. We will not dwell on the record we have, but more importantly on our level of play. If our level of play improves each day, a little bit at a time, things will start coming out in our favor"
