Coach Notes

I thought it was a super effort by our guys; a real gut it out win forged by our toughness. We were able to learn some things about ourselves such as playing hard each possession, building a double digit lead, having the home team bring it back to four and ultimately making big plays down the stretch to ice the game.

Individually, I felt Kyle Kumpf played the best overall game of his career. We asked Kyle to guard their best scorer when he was in and he responded very well and also played well offensively including a huge 3 pointer and clutch drive during the 4th quarter. Brady Turek is off to a very solid start for us at point guard, Matthew Wood has improved his game tremendously on the defensive end to go along with his offensive prowess. Blake Hansen continues to be our "glue" guys with his toughness and rebounding. Colt Foster is a really starting to establish his presence inside with his athleticism and skill set. We are getting great minutes off the bench with Kyle Kaman and Ethan Skinner, especially their "lockdown" ability with on the ball defense. Brady Horstman continues to exemplify team play and senior leadership skills. We have other guys who are capable of playing at the varsity level who we just need to mentor in the right direction to build our depth where we need it to be. We will have two very demanding challenges ahead this week as we prepare for Bridgeport and Leyton. I'm sure we'll see a great following of Bobcat supporters to help us provide the momentum to keep up our play at a high level.
