Bobcat Pride Awards

We are proud to announce the first winners of the Bobcat Pride Awards! These awards are based on teacher nominations to recognize students who have gone above and beyond expectations in some way by helping others or showing kindness. Each month, teachers nominate students they believe should be recognized and then a random selection is made from the nominees. Up to five PK-6 students and five 7-12 students will be selected each month. Winners receive a “Bobcat Pride” sign to display in their yard.

Congratulations to the first winners of the monthly Bobcat Pride Awards!

Mr. Kløver-High School Principal

The first full month of school has come and gone. And you know what, WE ALL SURVIVED!! It has been an adventure with all the changes due to COVID-19 but we really appreciate parents and students willingness to adapt.

Parent-Teacher conferences are right around the corner scheduled for October 14, 2020 from 1pm to 7pm. Progress reports on any students with grades less than 75% were sent home last week. Remember students and parents can check progress on their students by logging on to PowerSchool or using the PowerSchool app on most mobile devices. If you need assistance getting logged on, please contact the school and we would be glad to assist you.

School athletics are underway and all the teams have shown a lot of growth over their short seasons so far and a few growing pains too. Just a reminder to all students, parents, and community members to always be a positive force for our students at activities. The support you show our students is amazing but let's just keep it positive.

As always, if you have any questions or concerns please don't hesitate to call me or email me at school. Thank you.

Mr. Arneson-Elementary Principal

Happy October! Conferences are right around the corner. The teachers will be meeting to set conference times so be on the lookout for communication about your scheduled conference time. I want to encourage you to attend conferences for your student so you know how they are doing in class.

Please keep an eye on the temperature as we do spend time outside for recess as often as possible. October is a tricky month for temperature swings and having students dressing in layers can be very beneficial.

October 4 through 10 is fire prevention week. This would be a great time to review your home fire escape plan. There are other fire education and prevention information at [www.https://sfm.nebraska.gov/](https://sfm.nebraska.gov/)

Thanks again for a great start to the school year.
