Happy New Year
2021

Mr. Isom-School Superintendent

GOOD RIDDANCE 2020

Last March set in motion the longest year of my life. As we went to remote learning, what were many factors that needed to be put in place for it all to work. The teachers responded. It was a new experience for all. And at the conclusion of the school year, the consensus was not to return to that environment.

The question all summer was are we going to be able to have school? In person was the main request. We worked on our return to school plan and what fit Bobcat Nation. We felt good going into the year, and I feel it has been successful to this point. We have made adjustments as needed and we have kept the impact of this crazy virus to a minimum. Hopefully 2021 sees things getting back to a more normal state. The kids responded well, and the teachers made it work.

As we got the year started, the elementary chiller decided not to work. Talk about being put on the hot seat. I made the staff and kids suffer through the miserable heat. We worried about having the virus shut us down, being told we would have to go remote. A couple of early outs would not have hurt, but I was so paranoid over not having school, I kept everyone here. Hopefully the staff and kids can forgive me some day. It was a miserable time.

Activities—who gets to go and how many? DHM is at 75% or is it at 25%? We made it through the fall pretty unscathed. We have lost a couple activities this winter due to complications at the opponent's school. It is a real struggle.

This has been a long semester. Everyone is weary. Pandemic fatigue is real. I hope that the couple extra days of break allows you and your family time to reflect and realize that we are going to survive this.

KEEP THEM IN THE GAME

Parents/Spectators and Visitors to home and away games.

It is a requirement that everyone who is not an active participant in the games must wear a face mask that covers the mouth and nose.

If we are non-compliant Hemingford School will face fines. Our athletes will face sanctions and disqualification from Post-Season Competition.

We cannot stand by and let our athletes' tireless efforts go to waste. Please follow this policy everywhere you go, or you will be asked to leave the facility and not be put on future pass lists for entry.

And if we as a district fail to follow the expectations of the facilities and districts we are going to, the opposing schools will start to deny our fans entrance to contest and our athletes will not have any fans. If you do not think it will happen, we can give you instances of schools cancelling events because the opponents district were not willing to follow guidelines.

We have lost two activities to COVID. We do not want to lose anymore because we as a district are not willing to follow protocol at this time.

The NSAA has made it very clear on what they expect us to do.

Please, keep our athletes in the game.

Mr. Arneson-Elementary Principal

Happy New Year!

With the Winter season officially beginning, please make sure you are sending appropriate cold-weather gear with your student.

I wanted to share a quick reminder of our morning procedures for our elementary students. For the students in Kindergarten through 6th grade, they will be allowed into the building for breakfast at 7:45. Also at this time is when supervision starts on the playground. Students will be expected to wait outside until 7:45. If the temperature or wind chill is below 10 degrees, students will be able to wait inside until the bell rings. If a student would like to meet with a teacher, please reach out to your student's teacher to arrange a time to meet. This will ensure that the teacher will be available in the morning. Thanks for all your help to make our mornings as smooth as possible.

Happy New Year
2021

Mr. Kluver-High School Principal

Wow what a semester one we have had. I want to start by saying thank you to the staff, students, and community for all your efforts to keep us in school. We truly could not have made it through the semester without your support and commitment to our students.

With that being said, semester two is around the corner and it will be important for us to not forget what we have done so far to stay in school. We have to be diligent with our efforts if we want to keep students in the building and have them continue participating in activities. Students will be asked to continue to wear masks when in the hallway and in the classroom when social distancing is not possible. Teachers and staff will also continue to wear their masks. As a school we will continue monitoring the state directed health measures and adjust our responses accordingly.

A little housekeeping before I close. Parents please remember that we do need to be notified when a student is going to be absent. We are required by state law to record attendance of all students. If a student needs to be absent, please just call us and let us know. You can also leave a message on the answering machine at any time. If needed, you may email me directly as well at dkluver@gubn.org. Thank you for your assistance on this issue.

I want to wish each and every one of you a Happy New Year. I can't wait to see all of our students back on January 7th, 2021 for a full day of classes.

Bobcat Pride Award

December Bobcat Pride Awards

Congratulations to the December winners of the Bobcat Pride Awards! These awards are based on teacher nominations to recognize students who have gone above and beyond expectations in some way by helping others or showing kindness. Winners receive a “Bobcat Pride” sign to display in their yard.

Congratulations to the December winners of the monthly Bobcat Pride Awards!
