Through the month of April, the third through eighth-grade students will be taking the NSCAS (Nebraska Student-Centered Assessment System) state summative assessment. This is a test to see how they've done with learning the materials for their grade level. This year they are piloting a new format of the test so it won't be as long as in previous years. We also use this information to guide our teaching and help decided areas in need of improvement.

Kindergarten round-up will be on April 15th at 5:00 in the cafeteria. If you know someone who is planning on enrolling their student in Kindergarten next year, help spread the word.

The plan is for the Spring music concert to be in person! The concert will be on April 22nd at 6:00 p.m. in the Big Gym. We look forward to seeing you there.

Please plan on attending the Spring Music Concerts!!
