## From the Superintendent's Standpoint August 2022

By Dr. Travis Miller

I look forward to welcoming our students, families, faculty, staff, and patrons to our school for an excellent 2022-2023 school year.

Our team has been working hard in preparation for the start of the school year. We have a quality team of dedicated educators and support staff ready to provide our students with a productive year of learning.

In the spring of 2022, the Board of Education engaged our school community in a series of conversations informing the development of the school district's strategic plan, in partnership with the Nebraska Association of School Boards. Our strategic plan has six guiding principles:

1. Student-Centered Learning
2. Personnel Effectiveness
3. Student and Staff Well-Being
4. Communication and Engagement
5. District Resources
6. Board Governance

In partnership with our Board of Education, I am committed to working with our faculty, staff, students, families, and patrons as we work together to build upon our school district's many strengths and continue progress within the guiding principles of the strategic plan.

During the first part of the school year, much of my attention will be dedicated to effective communication practices, developing relationships that support learning, and building/deepening trust within our school community. As part of that effort, we have put together the attached document on "How to Communicate" with our team. Please take some time to read through the document. I anticipate that when we communicate in this manner, we will be able to find a quality resolution to the issues that are likely to arise this coming school year.

I have appreciated the warm welcome from our community during the transition to Hemingford Public Schools and look forward to getting to know everyone. I am excited to be a part of the school community and look forward to seeing our students' many successes during the year ahead.

I look forward to working with you to make 2022-2023 a great school year. Get Up, Bobcat Nation!

### How to Effectively Communicate with Our School Team:

When students, parents, and/or community members need to work through questions or complex issues, it is sometimes hard to know “who to talk to” or “where to start.” This document is intended to help students, parents, and community members find an efficient resolution to the various questions or challenges that may arise in any given year. In each of these areas, please start with the person listed in position 1. Most issues or questions are best resolved at level 1. Ideally, resolution can be found at that level. When that is not the case, an appointment can be made with the person listed in position 2. If necessary, proceed with the person in position 3, etc.

## Mr. Arneson-Elementary Principal

Welcome back!

I hope everyone had a wonderful summer break with activities, trips and rest. I can't wait to see everyone and get our school year started. Our first day of school is August 18th. We have supervision starting at 7:45 on the playground.

We are having an Open House on August 16th from 5:30 to 7:00. This will be a great time to meet the teachers and drop off your supplies.

We have a handful of new staff this year. We're excited to have them as members of Bobcat Nation!!

## Mrs. Curtis-High School Principal

Introductory Note from Misty Curtis: HHS Principal

Dear Parents/Guardians and Students,

Hello, My name is Misty Curtis; I am the new Principal at Hemingford High School. This is my 19th year in education! I am looking forward to meeting you and working with your student(s) this year. My family and I are excited to be a part of this school and the community. My goals are to provide students with daily opportunities for individual accomplishments, opportunities to take educational risks, and provide a support system that empowers students to take ownership of their learning. Research shows that students involved in a caring and educationally driven school gain lifelong learning and enjoyment. My passion, drive, and student-centered philosophy, along with your support, will allow me to continue to foster a learning environment that students are excited to be a part of. Please reach out if you have any questions, concerns or celebrations. I can be reached by calling the HHS office or by emailing [curtism@gubn.org](mailto:curtism@gubn.org). We will also be putting important information and updates on the schools' social media pages, Remind, the district [website](#) and the district [calendar](#).

We are going to have a great year!

Sincerely,

Mrs. Curtis

## School Counselor

Hello Bobcat Nation, I wanted to formally introduce myself to the community by giving you a little history and what led me to being your new Hemingford School Counselor.

I am married to Timothy Adam Gilkerson Sr. and we have three children; Blake, Kameron, and Timothy Gilkerson Jr. My husband is an Electrician at BNSF and has been working there for 8 years. Blake graduated from Hemingford High School in May of 2019 and went to the Marines. He is currently based out of Hawaii, where he resides with his new wife, Lily Carlson. Kameron and Timothy Jr. are going to be in the 3rd grade this fall, and they are excited for the new school year. We live outside of Berea, where we have been limited to, 2-cows, 6-chickens, 3-dogs, and 2-cats, by my husband.

When it comes to my educational history, it all began from Hemingford High School, where I graduated in May of 2005. I then went to Peru State College, where I graduated in May of 2009, with Bachelors in Science: Criminal Justice in Counseling and a minor in Psychology. In August of 2011, I graduated from the University of the Rockies with a Master of Arts in Psychology, Specializing in Mediation and Conflict Resolution. Shortly after, I then went back to school at Chadron State College, to complete more credits to receive my Master's Degree in Counseling. After completing my degree in Counseling, I noticed that I only had a few more courses to complete my schooling for a degree in School Counseling.

My work history begins while at Peru State College, due to an internship I received at Tecumseh State Correctional Institution (TSCI) for the Nebraska Department of Corrections. After graduating from Peru State College, I was given full time employment with TSCI, where I ended up being promoted from a Correctional Officer to a Unit Manager. I maintained my employment at TSCI for 6.5 years, until my husband and I decided to move back to Western Nebraska to be closer to family. Upon our return back to Hemingford, that was when I decided to pursue my counseling degree and then proceeded to open up my own private practice as a Mental Health Therapist, where I specialized with kids from the ages of 3-19 years of age. After 3 years of practicing, I decided that I needed a slight change due to my private practice taking so much time away from my family. I then began my career with the State of Nebraska as a Specialized Juvenile Probation Officer. After three years, I was informed about the position as the Hemingford School Counselor becoming available, so I thought, this may be my opportunity to have the ability to utilize all of my work experience and make a difference within the community that offered me so much.

I am very excited, nervous, and encouraged to begin this new chapter and I have very much appreciated all of the kind words and support that I have received thus far. Thank you for this opportunity and I look forward to getting to know this youth at Hemingford Public Schools.

## High Ability Learners

Hemingford has a high ability learner (HAL) program for students who have scored well on school standardized testing. In order to be invited into the program, a student must score in the 95th percentile or higher on two consecutive MAPS test. Students who have scored above the 90th percentile are identified to teachers as talented but are not active members of HAL.

There are other tests that can be completed to be invited into the program. For a full list of opportunities, please reference school board policy 605.03.

The HAL program does offer activities open to all students like our annual gingerbread contest and tries to work with some of the younger students on various projects or activities. Please watch the school Facebook and upcoming newsletters.

If you have questions or need help finding the policy, you may talk to your child's school principal, Mrs. Plog our SPED director, or email me at [atalkington@gubn.org](mailto:atalkington@gubn.org).

### Transportation

Letters were sent by mail by August 1 or notify school that you haven't received one.

Read bus rules with your child so they understand how they are to act on the bus. Bus driver's try to handle any situation but sometimes we have to involve parents if that happens they are given 1 warning if it happens again they will be removed from the bus for 5 days. Next warning will be off for 10 days and third time off for the remainder of the school year. This includes field days.

Emergency routes take place when the roads become impassable... all buses remain on pavement. You will be contacted by your driver.

Any new students coming in from Alliance if you have someone you are going to car pool with let me know ASAP so I can get them on the same bus if possible.

Any questions please contact Karla Mapes 487-3330 or [kmapes@gubn.org](mailto:kmapes@gubn.org).

### **Activity Passes**

Activity passes for all regular home games will be available at the High School Office. Prices will be: Adults \$35.00, Students Not In Activity \$25.00, Students In Activity—\$10.00, Family \$100.00, and Single Parent Family \$65.00. (This pass is intended for those parents who are in a single parent family situation.)

Activity gate prices will be

#### **Varsity Contests:**

## ELEMENTARY PE NEWS

Welcome back to school! I hope your summer was fantastic. I'm excited for this school year and look forward to seeing all of my students. Just a couple reminders for elementary PE. Please remember to have your student wear tennis shoes on their scheduled PE day. Tennis shoes are the safest and most effective footwear for PE class. Sandals, flip-flops, crocs, and boots can create tripping hazards and safety concerns. Students can bring their tennis shoes in their backpacks and change into their tennis shoes for PE class if they don't want to wear them all day. Below is the schedule for PE days.

## Inside Story Head

Child Find is a community wide effort to provide opportunities for children with disabilities. The purpose of Child Find is to identify children between birth and 21 years of age who may have individual needs that result from disabilities. The local school district works in cooperation with the medical community and other service agencies to locate children with disabilities in our area. Services are available for any eligible child including those who are home schooled. Any information you provide regarding a child will be kept confidential as required by local, state, and federal law. If you live within the Hemingford School District and have or know of a child who may benefit from special education or related services, please contact Mandy Plog, Hemingford Special Education Director, at 487-3330 for details on the referral process.

## Hot Lunch

Hemingford School will be implementing an online payment method through Fee-Zee for the Hot Lunch program. You will be able to make payments through your PowerSchool parent login. A \$2.75 per \$100.00 convenience fee will be assigned to parents making payments online and a \$1.00 fee for electronic check. This fee will be retained by FEE-ZEE, Inc. There will be no fees billed directly to the school. FEE-ZEE Inc. reserves the right to change the convenience fee to cover credit card processing costs. These fees include PCI Compliance program fees, usage and access fees from various card brands, data usage fees plus various other card brand association related fees. FEE-ZEE, Inc. will notify the school 48 hours in advance of any fee modification.

### Lunch

Please fill out the Free and Reduced Apps that will be coming home with your kid's packets.

Milk and meal prices were set at the July board meeting. Right now \$2.20 full pay...reduced is \$.40 for lunch.

\$1.65 for Breakfast and reduce \$.30.

Regardless of application status, all extra milk and afternoon milk will be charged \$.40 to your account. All extra mains are \$1.00 charged to you as well.

All accounts need to be at a positive balance at all times. Emails are sent when balances are low.

Send checks through mail or send them with the child to give to their teacher. Payments may also be made online through Fee-Zee but you are charged a fee for this service.
