BACK TO SCHOOL OPEN HOUSE
AUGUST 12TH, 2025
5:30 PM - 7:00PM

FIRST DAY OF SCHOOL
THURSDAY, AUGUST 14TH
(2:00PM DISMISSAL THURSDAY AND FRIDAY)

FROM THE SUPERINTENDENT'S STANDPOINT AUGUST 2025

By Dr. Travis Miller

I look forward to welcoming our students, families, faculty, staff, and patrons to Hemingford Public Schools for what promises to be an outstanding 2025–2026 school year. I am excited for the year ahead and confident it will be another strong year of learning, growth, and community engagement.

As we begin this school year, we are proud to recognize that we are entering the fourth year of implementing our district's five-year strategic plan, developed in partnership with the Nebraska Association of School Boards. This plan has provided a strong and steady foundation for guiding our work, centered around six key principles:

- Student-Centered Learning
- Personnel Effectiveness
- Student and Staff Well-Being
- Communication and Engagement
- District Resources
- Board Governance

Over the past three years, these principles have shaped decisions, inspired initiatives, and helped us make meaningful progress across the district. We've strengthened instructional practices, expanded support for student and staff well-being, enhanced communication efforts, and invested in the resources and relationships that make great teaching and learning possible. Yet, there is still work to be done. With continued focus, collaboration, and a shared sense of purpose, we will build upon this progress to take the next steps forward.

One of our greatest assets continues to be the strong partnerships between our schools and our families. Your support, encouragement, and active involvement have a direct impact on student success. Thank you for all you do to help create the conditions in which our students thrive.

We look forward to kicking off the new school year at our Back-to-School Open House on the evening of August 12th from 5:30 to 7:00 p.m. We've again invited members of the local business community to join us in welcoming students and families. We hope this event strengthens our sense of connection and shared investment in our schools.

If you have ideas or suggestions for how we can make this year even better for our students, please don't hesitate to call, email, or stop by my office. I value your input and appreciate the opportunity to work together.

Here's to a fantastic 2025–2026 school year. Get Up, Bobcat Nation!

*"Culture is built 30
seconds at a time"
-Joe Sanfelippo*

**7th Grade and New High School Student
Orientation**

Date: Tuesday, August 12th

GUBN

HIGH SCHOOL UPDATES

Josh Redden

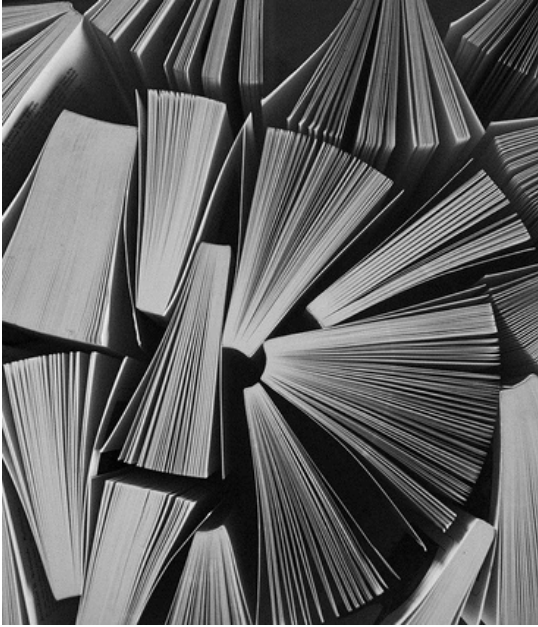

Dear Families,

We hope you are enjoying the last days of summer! As we gear up for an exciting new school year, we want to take a moment to share important information.

First, a huge THANK YOU to the summer custodial and maintenance staff for all of their hard work with moving classrooms and furniture, cleaning, painting, and everything else that they did to get the school ready for a great school year!

There will be some new staff members joining us this year. Joslynn Shanahan (7-12 Science) and Kenny Wyland (JAG) are new to HPS, and Brennan Vogel (Business) is switching roles. We will also have two student teachers in the fall: Shaun Grey-Wilson (Science) and Danea Hanson (FCS). We are excited to add them to the team.

As I transition from the classroom to my new role, I am excited about the opportunity to continue to work with students, staff, and the community of Hemingford to foster pride, growth, and success at our school. I can't wait to get everyone back in the building and to have a great school year!

FIRST DAY OF SCHOOL

AUGUST 14

2:00pm Dismissal

ELEMENTARY EXCERPTS

Written by Eric Arneson

It's hard to believe that summer is almost over and the school year is about to begin.

I want to introduce our three new teachers for this school year.

- Katelyn Varner will be teaching First Grade.
- Hannah Hinojosa will be teaching Third Grade
- Nancy Anderson will be teaching Fifth and Sixth-grade Math.

Come and meet them at our Open House on August 12, at 5:30 pm.

Our summer maintenance and custodial crew has done a great job getting the building ready to go. Thank you to them!

Reminder: The first two days of school will be a 2:00 out.

Counselor Corner

Welcome Back

We are so excited to welcome all our students and families to a brand-new school year! As your school counselors, we are here to support the academic, social-emotional, and career development needs of all students from preschool through 12th grade. We're looking forward to a fantastic year full of learning, growth, and Bobcat pride. Let's make it a great one—together!

What We Do

- Classroom lessons
- Individual and group counseling
- Crisis and emotional support
- Academic planning and support
- College, career, and future readiness
- Collaboration with families and staff

Wellness Tip

As school begins, focus on healthy habits like consistent sleep, good nutrition, and staying organized. These small steps can set your child up for success and reduce stress as they adjust to the new routine.

UPCOMING EVENTS

Aug. 12th - Open House
Aug. 12th - 7th Grade Transition Day
Aug. 14th - Happy First Day!

BE KIND

Join us for a message from
Dr. Mark Adler

Wednesday, August 27th

Hemingford High School
Gym

“You never know what someone is going through. BE KIND. Always.” – Mark Adler

What is the BE KIND Initiative?

The BE KIND initiative began as a grassroots movement and has since grown into a statewide campaign focused on:

- Promoting empathy in schools
- Supporting mental health awareness
- Encouraging students to speak up and support one another
- Creating a culture of kindness and inclusion in every community.

Join thousands across Nebraska and beyond in spreading the BE KIND message.

- Wear the gear
- Share your story
- Start a kindness campaign
- Check in with others

Dr. Mark Adler is a respected educator from Eastern Nebraska who turned personal tragedy into a powerful movement for good.

After the heartbreaking loss of his son Reid to suicide in 2016, Mark and his family launched the BE KIND initiative - a call to action, for schools, communities, and individuals to lead with compassion and understanding.

LOOK UP TO GAIN DIGITAL PLATFORM HEALTH, SAFETY, & WISDOM

Grades 5-12 Student and
Parent/Community Member
Presentation

Tuesday, September 23, 2025

8:55 to 9:55 AM

Hemingford High School Gym

PROVIDED BY MR. JAY MARTIN, DIRECTOR, SCHOOL SAFETY
AND SECURITY - NEBRASKA DEPARTMENT OF EDUCATION

Look Up to Gain Digital Platform Health, Safety, & Wisdom

Digital media platforms have continued to impact youth mental health negatively. Media-based companies utilize algorithms and artificial intelligence (AI) to collect personal data and program behavioral outcomes in youth. These money-driven digital companies intend to keep a child's attention on their platform with no regard to how it is harming them. Understanding how deepfakes, AI, misinformation, and emotional exploitation are occurring online is the first step toward becoming a more informed digital consumer. Teens who learn to look up from their phones gain digital health, safety, and wisdom.

Jay Martin is the School Safety & Security Director with the Nebraska Department of Education. He returned to his home state of Nebraska after spending 24 years in Colorado and retiring from his career in law enforcement. He developed partnerships with the National Association of School Resource Officers (NASRO), the Internet Crimes Against Children (ICAC) task force, human trafficking task forces, movie producers, authors, and psychologists, and has ghostwritten on digital best practices. Additionally, during his tenure, he taught in Omaha Public Schools and other districts in Nebraska & Colorado. His career has been committed to educating school communities in developing a better culture and climate with youth.

May Awards

Bobcat of the Month

-Bayje Neal

Bayje always gives her best and communicates well. She strives to actually learn what is being taught as well as wanting to be able to recall and complete assignments to her best ability. Bayje has communicated throughout science olympiad if she thought she was too busy/behind to be able to compete; being able to recognize one's limit is hard and Bayje tries to ensure she isn't drawn too thin. She always asks questions to improve her own and peers learning. She is never disruptive in class and is willing to work with any classmate regardless of friendship status.

Mini Bobcat of the Month

-Raegan Schumacher

Raegan has shown continued dedication in learning and improving all the way through the last class of the school year.

Optimist Bobcat Club

Bobkitten of the Month

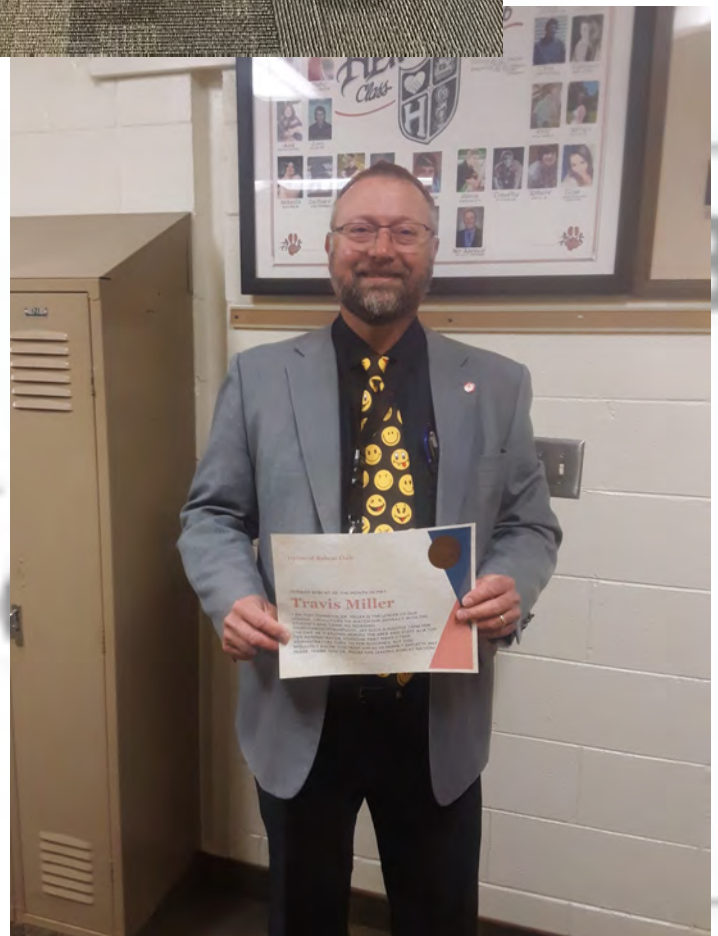

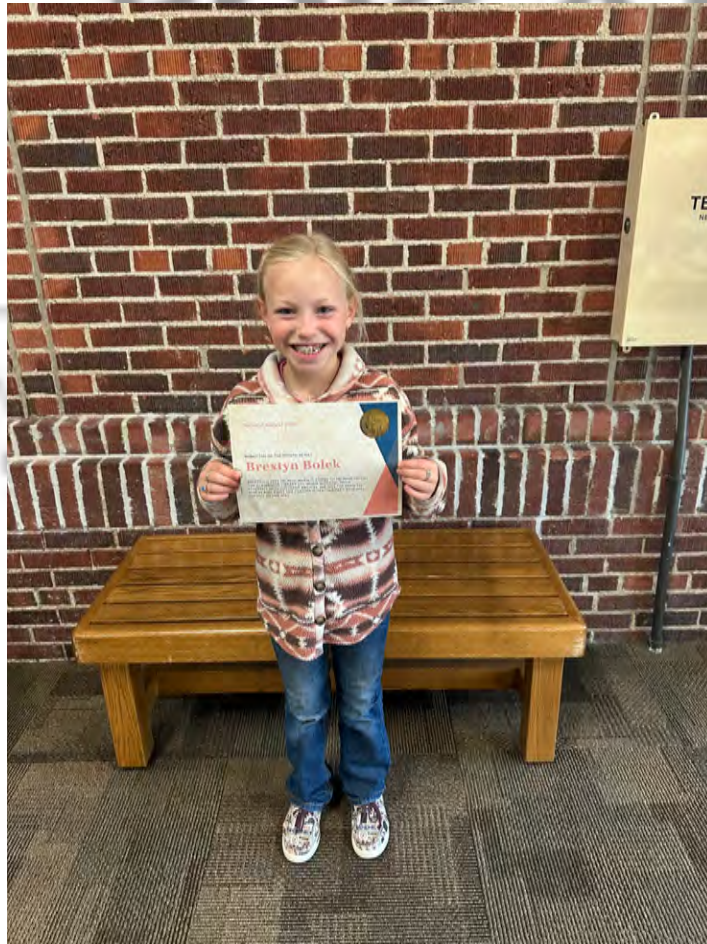

-Brextyn Bolek

Brextyn is very helpful when it comes to helping out in the classroom, library etc when working with students with different abilities and disabilities. She sees the need to step in and assist her classmate/teacher/para and will go out of her way.

Veteran Bobcat of the Month

-Dr. Travis Miller

I am very thankful Dr. Miller is the leader of our school. I really like to watch him interact with the students and think his morning handshakes/fistbumps/etc. set such a positive tone for the day. He is known across the area and state as a top tier administrator, someone that many other administrators turn to for guidance, but you wouldn't know this from him as he humbly deflects any praise. Thank you Dr. Miller for leading Bobcat Nation!

Facilities Transitions for the 2025-2026 School Year

During the recent bond campaign, it became clear that we need to make some adjustments and transition away from our long-term use of modular classrooms for middle grades to alternative uses. These adjustments don't solve the challenges of aging facilities, but are intended to mitigate some of the educational facilities issues experienced by our students, staff, and community.

In preparation for the coming year, we have moved the following teachers/classrooms to new locations:

Middle School (Grades 5 and 6)

Mrs. Anderson will be in room 408 (formerly JAG/Mr. Vogel)
Mrs. Clark will be in room 410 (formerly Science/Mrs. Talkington)
Ms. Failor will be in room 412 (formerly Business/Mr. Redden)
Mrs. Staudenmeier will be in room 409 (formerly Spanish/DL)

The counseling staff and scheduling committee have designed the schedule to minimize or eliminate any instances where high school passing periods coincide with those of 5th and 6th grade.

Business Building

Mr. Vogel will move to the East Modular - West Room (formerly middle grades/Mrs. Clark)
Mrs. Wood will be in the East Modular - East Room (formerly middle grades/Mrs. Staudenmeier)

Preschool and Jobs for America (JAG)

Mrs. McClure will be in the West Modular - South Room (formerly middle grades/Ms. Failor)
Mr. Wyland will be in the West Modular - North Room (formerly middle grades/ Mrs. Bruns/Mrs. Johnston)

Special Education

Mrs. Bruns will be in room 312 (formerly Preschool/Mrs. McClure)

Science

Ms. Shanahan will be in room 421 (formerly Business/Mrs. Wood)

Spanish/DL

Spanish/DL will move to room 101 (formerly Mrs. Johnston's office)

Counseling/Testing/School Psychology

Mrs. Johnston will be in the room across the hall from the former preschool.
Testing/School Psychology will be moved to the office behind room 201 (formerly Mrs. Morava's Office)

The background is a vibrant collage of school-related items. At the top, a blue pencil is angled downwards. To the left, a yellow spiral-bound notebook is partially visible. On the right, a yellow and blue book is shown. The bottom left features a yellow ruler and a red pencil. The bottom right has a yellow spiral-bound notebook. Scattered throughout are various colorful stars (red, yellow, blue, green), circles, and dots in shades of red, yellow, green, and blue. The text is centered on a white rectangular background.

HEMINGFORD FOOTBALL

Bobcat Nation, we are excited for another fall of Hemingford Football! Student-athletes, we hope you seriously consider being a part of this program. This program is accepting of ALL, no matter your ability! We have a very strong core of athletes participating this season, but there is always room for more! Don't miss out on this opportunity to develop as an athlete. Our coaches are dedicated to helping you reach your goals...athletic and personal! As a high school athlete, very few things rival playing on Bobcat Field under the Friday night LIGHTS! Come be a part of something larger than yourself. Come play a part in ringing that VICTORY BELL! Our Football Program is guided by student-athlete leaders and coaches that have a desire to inspire others to develop a growth mindset, dream big, compete, and strengthen themselves and others through the 5 Pillars of the Program: Commitment, Discipline, Effort, Toughness, and Pride. Whether you're a 7th Grader, 8th Grader, Freshmen, Sophomore, Junior, Senior, veteran football player or first-timer...we welcome you all and look forward to **YOU** having a positive impact on the Program!

CONDITIONING WEEK

Monday, August 4th marks the first day of Football Conditioning for High School Football. Meet at 6:45AM in the HS locker room. Bring athletic clothes and football cleats if you have them (we do have some extras, contact Coach Dean if you'd like to check out the sizes ahead of time). We understand it is also Fair Week and encourage those that are committed to Fair to not neglect their Fair responsibilities. If you need to miss some days of Conditioning Week due to Fair, no worries, just let Coach Dean know if you are able (jdean@gubn.org). Conditioning week is not mandatory, but we do strongly encourage attendance if you are able. Conditioning week is a non-contact, non-football specific week, where we get a head start on developing speed, agility, and strength for the entire athletic year...this is important for injury prevention and also important for all sports, not just football. Junior High athletes are welcome to attend Conditioning Week as well if they would like to...reminder to Junior High athletes that this is non-contact, and non-football specific, it's simply an opportunity for you to work on your athleticism with your teammates!

PRACTICE

The first day of High School Practice will be **Monday, August 11th** (Time TBD and will be announced via HS Football Remind). The start date for Junior High Football Practice will be announced by Coach Branson, the head JH Football Coach.

REMIND

Please use the following Remind codes for HS and JH Football if you are a parent/guardian or athlete interested in these programs. Announcements will be made via these Remind groups.

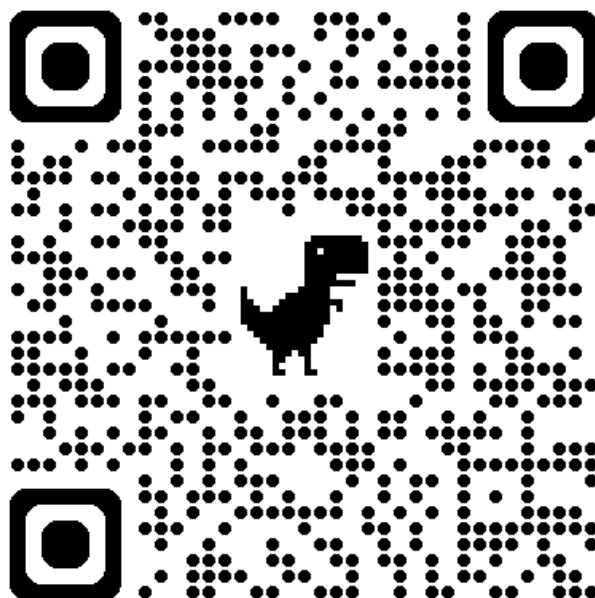

HS - @hemhsfbal

JH - @hemjhfbal

E-MAIL

If you have ANY questions about participating in HS or JH football this year, Coach Dean (HS) and Coach Branson (JH) would be happy to answer any questions you might have. Contact them at jdean@gubn.org or bbranson@gubn.org.

Scan this QR Code to listen to an audio summary of the Hemingford Bobcat Football Program Guide (audio summary created by NotebookLM's Audio Overview Feature) ➞

Girls on the Run!
FALL 2025

Girls on the Run moved to Fall season for the 2025-2026 school year! We will be doing a week long "Camp"! If your girl is interested in signing up, please contact Coach Ammie Frost!

Inclement Weather and other announcements

The Superintendent of schools is authorized by the Board of Education to close public schools in case of severe weather. The Superintendent will notify local news media when inclement weather warrants such action. The information will be transmitted by the Remind App, the School's Facebook page, X, and the Hemingford Public Schools App.

School notifications will also be posted through Remind, Facebook, and X.

Equal Opportunity

Hemingford Public School District #10 will not discriminate on the basis of race, color, national origin, religion, sex, disability, or marital status in admission or access to, or treatment or employment in its programs and activities.

IN AN EMERGENCY TAKE ACTION

HOLD! In your room or area. Clear the halls.

STUDENTS

Clear the hallways and remain in room or area until the "All Clear" is announced
Do business as usual

ADULTS

Close and lock the door
Account for students and adults
Do business as usual

SECURE! Get inside. Lock outside doors.

STUDENTS

Return to inside of building
Do business as usual

ADULTS

Bring everyone indoors
Lock outside doors
Increase situational awareness
Account for students and adults
Do business as usual

LOCKDOWN! Locks, lights, out of sight.

STUDENTS

Move away from sight
Maintain silence
Do not open the door

ADULTS

Recover students from hallway if possible
Lock the classroom door
Turn out the lights
Move away from sight
Maintain silence
Do not open the door
Prepare to evade or defend

EVACUATE! (A location may be specified)

STUDENTS

Leave stuff behind if required to
If possible, bring your phone
Follow instructions

ADULTS

Lead students to Evacuation location
Account for students and adults
Notify if missing, extra or injured students or adults

SHELTER! Hazard and safety strategy.

STUDENTS

Use appropriate safety strategy for the hazard

Hazard

Tornado
Hazmat
Earthquake
Tsunami

Safety Strategy

Evacuate to shelter area
Seal the room
Drop, cover and hold
Get to high ground

ADULTS

Lead safety strategy
Account for students and adults
Notify if missing, extra or injured students or adults

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

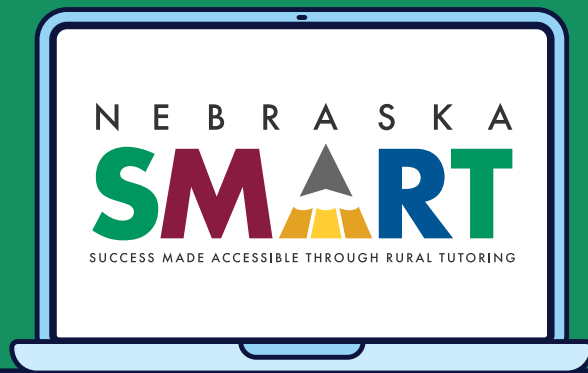

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

NEBRASKA SMART IS A FREE VIRTUAL TUTORING PROGRAM FOR STUDENTS IN GRADES K-12.

Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students in rural Nebraska. This program is currently offering services to:

- All NRCSA member school districts
- Educational Service Unit 1
- Educational Service Unit 4
- Educational Service Unit 13
- Other select smaller rural school districts

Visit our website for the full list of school districts served.

HOW IT WORKS

Nebraska students in grades K-12 have free access to online tutoring with a qualified Tutor in English, math, science, and social studies. Parents must first register their child. Once registered, students can request pre-scheduled appointments with a Tutor or log in and request on-demand tutoring to be connected with the next Tutor available in the queue. Students should provide homework for which they wish to receive help or topics that they would like to cover.

TUTORING HOURS

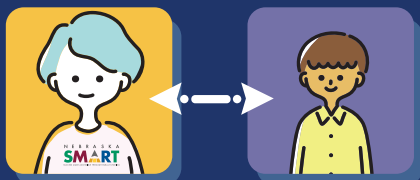

OUR PARTNERS

The Nebraska Department of Education has awarded a grant to the Nebraska State Colleges to develop a program that provides free online tutoring to K-12 students in rural Nebraska.

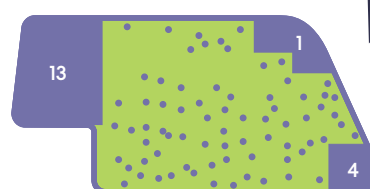

OUR TUTORS

Tutors are full-time students at Chadron, Peru, and Wayne State Colleges who have been admitted to the teacher education program, have completed background checks, and received training through their teacher education program coursework.

PLEASE VISIT

nscs.edu/NebraskaSMART
