LABOR DAY

FROM THE SUPERINTENDENT'S STANDPOINT SEPTEMBER 2025

By Dr. Travis Miller

#BeKind

On August 26th, students in grades 5-12 had the opportunity to hear from Dr. Mark Adler, who courageously shared the story of his son, Reid, whose life was tragically lost to suicide after experiencing cyberbullying and intimidation.

Dr. Adler's message was heartfelt, challenging, and deeply moving. He urged our students to stand up for one another, to reject bullying, and to seek out trusted adults when they or someone else is in need. His presentation centered on building positive relationships, developing grit and hope, and using courage and leadership to spread kindness in every interaction.

As we move further into the school year and the pace of classes, activities, and events picks up, I hope we'll each pause to reflect on how we can personally contribute to a culture of kindness and hope, not only in our schools but throughout the entire Hemingford community.

Kindness doesn't always require grand gestures. More often, it's the simple, everyday action like a friendly greeting, a sincere compliment, or an encouraging word that makes an impact. These moments can brighten someone's day, change their perspective, and make them feel seen and valued. I encourage students, staff, families, and community members to join together in spreading that kind of kindness every day.

A few years ago, I came across an expanded reflection on what kindness can look like in action:

- Kindness Encourages
- Kindness Includes
- Kindness Trusts
- Kindness Celebrates

I hope we can collectively commit to being a school and community that encourages one another, includes everyone, builds trust, and celebrates each other's efforts and achievements. When we do these things, our students (and adults) grow stronger together.

As always, if you have ideas or suggestions on how we can continue to improve and support our students, please don't hesitate to call, email, or stop by my office. I value your input and appreciate the opportunity to work together.

Keep striving, keep caring, and as always—Get Up, Bobcat Nation!

On the morning of August 26th, we had guest speaker Dr. Mark Adler give a presentation about the importance of kindness and to speak up when you or someone you know is needing help. It was an impactful presentation that I would recommend discussing with your student.

Upcoming Events

High School Picture Day:
Wednesday, September 3rd

Homecoming:
September 22nd-26th

All high school students will enter through the main door of the Redzone or the north entrance at the beginning of the day and at lunch, except in the case of inclement weather, where they will be allowed to enter through the west entrance.

GUBN

HIGH SCHOOL UPDATES

Dear Families,

The school year is off to a great start and everyone seems to be settling into the school routine. As I'm sure most of your students have already made you aware, we have had some changes to our cell phone policies as mandated by state statute. Here is a quick summary:

- Phones and other personal electronic devices are to be off and out of sight during the day.
- Phones can be used during lunch and before and after school.
- If contact with a student is needed during school hours, parents are instructed to call the office.

We would appreciate your support in not contacting your student via their cell phone during the school day, except over the lunch hour. This will aid in creating a distraction-free educational setting for all of our students. If you would like to review the full policy, please see the bottom of p. 17 of the Student Handbook.

Fall is my favorite time of the school year and activities are going full steam ahead. Make sure to get on Remind so that you can stay in the know of changes to schedule time and dates.

ELEMENTARY EXCERPTS

Mr. Arneson

Ask Yourself: How Can I Help?

Then, Make It Happen!

At Hemingford Elementary, we believe that every student, staff member, and family member plays a vital role in shaping a school environment that is safe, welcoming, and focused on learning. One simple question can guide us every single day:

"How can I help?"

It's a powerful question—one that invites kindness, responsibility, and action.

Whether you're a kindergartener helping a classmate zip a coat, a teacher offering encouragement to a struggling learner, or a parent volunteering to read with students, asking how can I help? shifts our focus from problems to solutions, and from "me" to "we."

But we don't stop at asking the question.

We follow it up with action.

We make it happen.

That's the heart of our school's mission: showing up each day not just to be served—but to serve others. Whether it's stepping in to clean up a classroom, checking on a friend, pitching in at lunch, or lending a hand during dismissal, we see our staff and students living this philosophy every day.

Here are just a few recent examples of Bobcat kindness in action:

- A group of 2nd graders helped clean up a spilled tray in the lunchroom—without being asked.
- One of our paraprofessionals stayed after school to help a student find a lost library book.
- A teacher noticed a student struggling and created a new support plan—with the help of the student and family.
- Several students greeted a new classmate with warm smiles, helping them feel included on day one.

These may seem like small things—but together, they are the fabric of our culture.

They are the heartbeat of a school where everyone belongs and everyone grows.

So this month, I challenge all of us—students, staff, and families—to make these three questions part of our daily routine:

- How can I help?
- What would great look like?
- Now... how can I make it happen?

When we pause to imagine what great looks like—whether in the classroom, at recess, during a team meeting, or at home—we give ourselves a powerful vision to aim for. And when we act on it with purpose and compassion, we make our school community stronger, kinder, and more inspiring for everyone.

Thank you for all the ways you support our school, our students, and each other. Your partnership matters more than ever. Let's keep building a place where kindness leads, action follows, and every child thrives.

With Bobcat Pride,

Mr. Arneson

NURSING NEWS

Written by Nurse Kimball

Health Screenings Day:

The Chadron Lions Club and Panhandle Public Health District will be at Hemingford Public Schools on Monday, October 20th to help with our Health Screenings Day. Students grades Kindergarten through 4th, 7th, and 10th will be screened for the following:

- vision
- hearing
- dental health
- height
- weight

Permission slips will be going home soon for dental treatment options such as fluoride treatment, sealants, and silver diamine fluoride.

Don't want your child screened?

If you do not want your child to be screened for hearing, vision, or dental screenings, please send me a statement signed by a physician, physician assistant, or nurse practitioner that states your child underwent the required screening within the past 6 months prior to screening day.

If you do not want your child to be screened for height and/or weight measurement, please send me a statement of objection signed and dated by the parent/guardian prior to screening day.

School Health
Screenings Day is
Monday, October
20th.

Counselor Corner

Monthly Focus:

This month, our counseling lessons are focused on respect—for ourselves, others, property, and differences. Students will learn what respect looks like in everyday actions, such as using kind words, listening to others, and treating people the way they want to be treated. By practicing respect, we can create a safe, welcoming, and supportive school environment for everyone.

What We Do

As school counselors, we will be using our Character Strong curriculum not only in classroom lessons but also in small groups and individual sessions, giving students extra support.

Wellness Tip

Friendships matter! Encourage your child to practice kindness and listening to strengthen their relationships with peers. Strong connections help them feel supported and build a sense of belonging.

UPCOMING EVENTS

Sept. 1 - Labor Day - No School
Sept. 22-27 - Homecoming Week

Kindness KICKOFF

Family Connection

PurposeFull
People

Welcome!

Dear Family,

We are excited to tell you that we will be using **PurposeFull People** this year, a program that teaches skills to help students be successful in school and in life.

We believe that students should have safe, predictable places to learn where they feel included. Students should have healthy and helpful connections with teachers and classmates. They should also experience learning that will help them tackle challenges inside and outside of school. PurposeFull People is more than a set of lessons - it is a partnership between schools and families to create a place where students feel like they belong and learn skills that will help them be the best they can be!

The path forward is full of growth! We cannot wait to partner with you in this work...

- To teach students how to build strong friendships
- To work together to solve problems, big and small
- To grow skills for life
- To become PurposeFull People

Conversation Starters

- What does Kindness mean to you?
- What is something Kind you did for someone else today?

Kindness Overview

Our world needs more Kindness! That's why Kindness is how we are starting the school year. Our definition of Kindness is acting with understanding, generosity, and care. You'll hear a lot about Kindness this year because it is also 1 of our **3 outcomes**:

- **Be Kind**: Teaching social skills like listening, friendship, solving conflicts, and leadership. These skills are taught alongside **Empathy, Respect, & Cooperation**
- **Be Strong**: Skills that help students focus, stay organized, and set goals. These skills are taught alongside **Responsibility, Courage, & Perseverance**
- **Be Well**: Skills that help students handle their emotions and deal with stress. These skills are taught alongside **Gratitude, Honesty, & Creativity**

Kindness KICKOFF

Family Connection

PurposeFull
People

PurposeFull Pursuits

Each month, we'll send PurposeFull Pursuits to provide fun challenges you can pursue together! These are simple ways to intentionally reinforce the skills we are working on at school, while providing fun strategies to grow together as a family. We invite you to make some memories and join in the fun!

Pursuit #1

Review Kindness as a family! Remember that Kindness is acting with understanding, generosity, and care. Schedule a family movie night so that you can specifically watch for different ways people show Kindness. Let everybody know that you'd like them to point out examples of how the characters show Kindness as you watch the movie. Be sure to pause periodically to discuss the examples of Kindness you see. You could also talk about missed opportunities for Kindness and what you might have done differently!

Pursuit #2

Find a time to sit in a circle together and celebrate a Kind beginning of the school year! If you want, gather some favorite snacks and play some celebratory music for the occasion. Take turns sharing responses to the following prompts or make up your own! Remember to practice Kindness as you listen to each other.

Celebration Prompts:

- What is 1 way a family member has shown you Kindness this week?
- What is 1 way you want to grow in Kindness toward others this school year?

BULLYING PREVENTION

Family Connection

PurposeFULL
People

Overview

To help students achieve their best and make schools safe and welcoming, we need more than just anti-bullying policies. CharacterStrong uses strategies that are proven to work and focus on key social and emotional skills. In the curriculum, students will experience a blend of anti-bullying methods with other important skills like empathy, communication, and resilience. This helps schools deal with bullying better while also teaching students to understand and care for each other. This approach makes it easier for schools to embrace bullying prevention strategies and build an environment of kindness and respect.

What is bullying?

Bullying is **hurtful** and **repeated**, but it also...

- Is unwanted physical or emotional pain
- Involves an imbalance of power
- Can happen online (cyberbullying)

Conversation Starters

- What are some ways you can include others and make sure everyone feels welcome?
- How can you can report bullying?

Book Recommendations

- **The Juice Box Bully: Empowering Kids to Stand Up for Others** by Bob Sornson and Maria Desmondy
- **The Smallest Girl in the Smallest Grade** by Justin Roberts

BULLYING PREVENTION

PurposeFull
People

PurposeFull Pursuit

With your student, review the scenario below and practice using the stoplight as a way to respond to bullying. Create more scenarios that are relevant to your student for additional practice.

During recess, Arisha loves to sit down and draw in her notebook. But every day for the past week, Sonia grabs her notebook and rips the drawing she is working on. Arisha feels embarrassed and sad that her drawings are ruined. She doesn't know what to do. She wants to tell a teacher, but she is afraid it will make things worse.

- Is this bullying or not? How do you know?
- What should you do if this is happening to you?
- What should you do if you notice this is happening to someone else?

- Speak up
- Remove
- Distract

- Show comfort
- Invite others over
- Ask questions

- Get help
- Find an adult
- Call it out / name it

LOOK UP TO GAIN DIGITAL PLATFORM HEALTH, SAFETY, & WISDOM

Grades 5-12 Student and
Parent/Community Member
Presentation

Tuesday, September 23, 2025

8:55 to 9:55 AM

Hemingford High School Gym

PROVIDED BY MR. JAY MARTIN, DIRECTOR, SCHOOL SAFETY
AND SECURITY - NEBRASKA DEPARTMENT OF EDUCATION

Look Up to Gain Digital Platform Health, Safety, & Wisdom

Digital media platforms have continued to impact youth mental health negatively. Media-based companies utilize algorithms and artificial intelligence (AI) to collect personal data and program behavioral outcomes in youth. These money-driven digital companies intend to keep a child's attention on their platform with no regard to how it is harming them. Understanding how deepfakes, AI, misinformation, and emotional exploitation are occurring online is the first step toward becoming a more informed digital consumer. Teens who learn to look up from their phones gain digital health, safety, and wisdom.

Jay Martin is the School Safety & Security Director with the Nebraska Department of Education. He returned to his home state of Nebraska after spending 24 years in Colorado and retiring from his career in law enforcement. He developed partnerships with the National Association of School Resource Officers (NASRO), the Internet Crimes Against Children (ICAC) task force, human trafficking task forces, movie producers, authors, and psychologists, and has ghostwritten on digital best practices. Additionally, during his tenure, he taught in Omaha Public Schools and other districts in Nebraska & Colorado. His career has been committed to educating school communities in developing a better culture and climate with youth.

RED DENOTES HOME GAMES

The Bobcat CARE (Community Action Reaching Education) Fund

Living in a small community, we understand the importance of working together and relying on one another for success. However, resources can sometimes be limited. During tough times, parents and families may struggle to provide their children with everything they need. The Bobcat CARE Fund steps in to assist families by offering supplies, clothing, shoes, toiletries, school lunch, milk, and even support for CNA certifications.

How it Works

The Bobcat CARE Fund operates in a straightforward manner. When teachers or parents identify a student's needs, they reach out to the Principals at Hemingford Elementary and High School. These needs, such as winter coats, tennis shoes, or assistance with school lunch, can be addressed through the CARE funds. The specific needs can be posted on our Facebook page and website. If someone wishes to donate an item, they can comment or message on Facebook or contact the school directly. Donations, whether items or funds, can be dropped off at the school and will be distributed to the students in need. This program is entirely confidential, and no student names are ever disclosed.

To request help:

Contact our Elementary or High School Principals by completing the form at this link:
[Bobcat CARES Referral/Request Form](#)

Or

Contact Us:

Mr. Arneson, Elementary School Principal: (308) 487-3330

Mr. Redden, High School Principal: (308) 487-3328

We will gather the necessary information based on what is needed or can assist in finding resources for you to reach out to. As part of this process, you are also encouraged to visit with your student's teacher about items your child may need.

To support our fund:

Donate items/funding through your business. Also, feel free to post our information page in your business to help us spread the word about The Bobcat CARE Fund.

Donate items/funding personally through HCF (taxable deductions)

Here's a link to the [Hemingford Public Schools Facebook Page](#) and the [Hemingford Community Foundation](#). Like us and keep up to date on how we are building better communities!

HEMINGFORD PUBLIC SCHOOLS Home of the Bobcats

Help Your Son/Daughter Before, During & After Competition

Before:

- Know their goals, roles & needs – accept them
- Release them to the game, their coach & team

During:

- Model poise, confidence & correct behavior
- Focus on all our team members

After:

- Give them time & space
- Be a builder of confidence & your relationship

Six Powerful Words:
"I Love to Watch You Play"

COMMUNICATION SOURCES

Inclement Weather and other announcements

The Superintendent of schools is authorized by the Board of Education to close public schools in case of severe weather. The Superintendent will notify local news media when inclement weather warrants such action. The information will be transmitted by the Remind App, the School's Facebook page, X, and the Hemingford Public Schools App.

School notifications will also be posted through Remind, Facebook, and X.

Equal Opportunity

Hemingford Public School District #10 will not discriminate on the basis of race, color, national origin, religion, sex, disability, or marital status in admission or access to, or treatment or employment in its programs and activities.

IN AN EMERGENCY TAKE ACTION

HOLD! In your room or area. Clear the halls.

STUDENTS

Clear the hallways and remain in room or area until the "All Clear" is announced
Do business as usual

ADULTS

Close and lock the door
Account for students and adults
Do business as usual

SECURE! Get inside. Lock outside doors.

STUDENTS

Return to inside of building
Do business as usual

ADULTS

Bring everyone indoors
Lock outside doors
Increase situational awareness
Account for students and adults
Do business as usual

LOCKDOWN! Locks, lights, out of sight.

STUDENTS

Move away from sight
Maintain silence
Do not open the door

ADULTS

Recover students from hallway if possible
Lock the classroom door
Turn out the lights
Move away from sight
Maintain silence
Do not open the door
Prepare to evade or defend

EVACUATE! (A location may be specified)

STUDENTS

Leave stuff behind if required to
If possible, bring your phone
Follow instructions

ADULTS

Lead students to Evacuation location
Account for students and adults
Notify if missing, extra or injured students or adults

SHELTER! Hazard and safety strategy.

STUDENTS

Use appropriate safety strategy for the hazard

Hazard

Tornado
Hazmat
Earthquake
Tsunami

Safety Strategy

Evacuate to shelter area
Seal the room
Drop, cover and hold
Get to high ground

ADULTS

Lead safety strategy
Account for students and adults
Notify if missing, extra or injured students or adults

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:

- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:

- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:

- Return to inside of building
- Do business as usual

Adults and staff are trained to:

- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:

- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:

- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:

- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:

- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:

- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:

- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:

- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:

- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.

STANDARD RESPONSE PROTOCOL

PARENT GUIDANCE

In the event of a live incident, parents may have questions about their role.

SECURE

“Get Inside. Lock outside doors”

Secure is called when there is something dangerous outside of the building. Students and staff are brought into the building and the outside doors will be locked. The school might display the Building is Secured poster on entry doors or nearby windows. Inside, it will be business as usual.

SHOULD PARENTS COME TO THE SCHOOL DURING A SECURE EVENT?

Probably not. Every effort is made to conduct classes as normal during a secure event. Additionally, parents may be asked to stay outside during a Secure event.

WHAT IF PARENTS NEED TO PICK UP THEIR STUDENT?

Depending on the situation, it may not be safe to release the student. As the situation evolves, Secure might change to a Monitored Entry and/or Controlled Release.

WILL PARENTS BE NOTIFIED WHEN A SCHOOL GOES INTO SECURE?

When a secure event is brief or the hazard is non-violent, like a wild animal on the playground, there may not be a need to notify parents while the Secure is in place.

With longer or more dangerous events, the school should notify parents that the school has increased their security.

LOCKDOWN

“Locks, Lights, Out of Sight”

A Lockdown is called when there is something dangerous inside of the building. Students and staff are trained to enter or remain in a room that can be locked, and maintain silence.

A Lockdown is only initiated when there is an active threat inside or very close to the building.

SHOULD PARENTS COME TO THE SCHOOL DURING A LOCKDOWN?

The natural inclination for parents is to go to the school during a Lockdown. Understandable, but perhaps problematic. If there is a threat inside the building, law enforcement will be responding. It is unlikely that parents will be granted access to the building or even the campus. If parents are already in the school, they will be instructed to Lockdown as well.

SHOULD PARENTS TEXT THEIR STUDENTS?

The school recognizes the importance of communication between parents and students during a Lockdown event. Parents should be aware though, during the initial period of a Lockdown, it may not be safe for students to text their parents. As the situation resolves, students may be asked to update their parents on a regular basis.

In some cases, students may be evacuated and transported off-site for a student-parent reunification.

WHAT ABOUT UNANNOUNCED DRILLS?

The school may conduct unscheduled drills, however it is highly discouraged to conduct one without announcing that it as a drill. That's called an unannounced drill and can cause undue concern and stress.

Parents should recognize that the school will always inform students that it is a drill during the initial announcement.

It's important to differentiate between a **drill** and an exercise. A drill is used to create the “Muscle Memory” associated with a practiced action. There is no simulation of an event; this is simply performing the action. An exercise simulates an actual event to test the capacity of personnel and equipment.

CAN PARENTS OBSERVE OR PARTICIPATE IN THE DRILLS?

The school welcomes parents who wish to observe or participate in drills.

NEBRASKA SMART IS A FREE VIRTUAL TUTORING PROGRAM FOR STUDENTS IN GRADES K-12.

Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students in rural Nebraska. This program is currently offering services to:

- All NRCSA member school districts
- Educational Service Unit 1
- Educational Service Unit 4
- Educational Service Unit 13
- Other select smaller rural school districts

Visit our website for the full list of school districts served.

HOW IT WORKS

Nebraska students in grades K-12 have free access to online tutoring with a qualified Tutor in English, math, science, and social studies. Parents must first register their child. Once registered, students can request pre-scheduled appointments with a Tutor or log in and request on-demand tutoring to be connected with the next Tutor available in the queue. Students should provide homework for which they wish to receive help or topics that they would like to cover.

TUTORING HOURS

OUR PARTNERS

The Nebraska Department of Education has awarded a grant to the Nebraska State Colleges to develop a program that provides free online tutoring to K-12 students in rural Nebraska.

OUR TUTORS

Tutors are full-time students at Chadron, Peru, and Wayne State Colleges who have been admitted to the teacher education program, have completed background checks, and received training through their teacher education program coursework.

PLEASE VISIT

nscs.edu/NebraskaSMART
