FUTURES,
ONE SUMMER DAY AT A
TIME!"

DISTRICT COMMUNICATION UPDATE

This last year, Remind was purchased by ParentSquare and will be absorbed into their company. We took this opportunity to explore other messaging systems and ultimately chose a PowerSchool-based service called SchoolMessenger. This summer, we'll be working on setting up and testing the service. Once functional, you'll be able to receive district messages through email, a phone call, or SMS (Text Messaging). To use SMS, you'll need to opt in to that service. This campaign will start later this summer.

Also, the PowerSchool app and PowerSchool website will have a different, more modern look to them. Students and parents will also have the ability to message teachers right in the PowerSchool app.

We do not have an exact date for when SchoolMessenger will be active, but be on the lookout for more information as the summer progresses.

MUSIC NOTES

BY MRS. ARNESON

K-12 Music Teacher

sarneson@gubn.org

308-487-3330 ex. 403

Thank you! *to all the hours everyone practiced or helped this year!*

Below is a snapshot of items you may want to work on over the summer.

4th graders transitioning to 5th Grade - If you purchase your own instrument for band, please let Mrs. Arneson know via email. Let Mrs. A know if you want to be a banner carrier for the Parade.

Current Band Students - If you have your own instrument and are able to play a few songs or scale a few times a week or play something for 5 minutes a day, it will help you continue to produce a good sound and start next year off on the right track. Be on the lookout for a schedule for Summer Band. ALL students who were in band last year are invited. You may checkout school borrowed instruments during Summer Band.

If you are going into 7th - 12th grade, Consider checking what audition music is available for the Choir or Band Event you want to participate in and listen or practice it over the summer. There are a few confirmed event dates for next year below.

Please do not hesitate to email Mrs. Arneson with questions. Happy Summer!

Box Butte County Fair Parade - Sat, August 8th at 10am

CSC Homecoming Parade & Football Game - Sat, Oct 31st 9am & 1pm

All-State Band and Choir (look online for audition info) Nov 18th-20th

Oregon Trails Honor Band - Mon, January 4, 2027 (nomination)

CSC High Plains Honor Band/Choir - Mon/Tues, Feb 1 & 2, 2027 (audiiton)

The Bobcat CARE (Community Action Reaching Education) Fund

Living in a small community, we understand the importance of working together and relying on one another for success. However, resources can sometimes be limited. During tough times, parents and families may struggle to provide their children with everything they need. The Bobcat CARE Fund steps in to assist families by offering supplies, clothing, shoes, toiletries, school lunch, milk, and even support for CNA certifications.

How it Works

The Bobcat CARE Fund operates in a straightforward manner. When teachers or parents identify a student's needs, they reach out to the Principals at Hemingford Elementary and High School. These needs, such as winter coats, tennis shoes, or assistance with school lunch, can be addressed through the CARE funds. The specific needs can be posted on our Facebook page and website. If someone wishes to donate an item, they can comment or message on Facebook or contact the school directly. Donations, whether items or funds, can be dropped off at the school and will be distributed to the students in need. This program is entirely confidential, and no student names are ever disclosed.

To request help:

Contact our Elementary or High School Principals by completing the form at this link:
[Bobcat CARES Referral/Request Form](#)

Or

Contact Us:

Ms. Gina Jespersen, Elementary School Principal: (308) 487-3330

Mr. Redden, High School Principal: (308) 487-3328

We will gather the necessary information based on what is needed or can assist in finding resources for you to reach out to. As part of this process, you are also encouraged to visit with your student's teacher about items your child may need.

To support our fund:

Donate items/funding through your business. Also, feel free to post our information page in your business to help us spread the word about The Bobcat CARE Fund.

Donate items/funding personally through HCF (taxable deductions)

NEBRASKA SMART IS A FREE VIRTUAL TUTORING PROGRAM FOR STUDENTS IN GRADES K-12.

Teacher education candidates from Chadron State, Peru State, and Wayne State Colleges remotely tutor students in rural Nebraska. This program is currently offering services to:

- All NRCSA member school districts
- Educational Service Unit 1
- Educational Service Unit 4
- Educational Service Unit 13
- Other select smaller rural school districts

Visit our website for the full list of school districts served.

HOW IT WORKS

Nebraska students in grades K-12 have free access to online tutoring with a qualified Tutor in English, math, science, and social studies. Parents must first register their child. Once registered, students can request pre-scheduled appointments with a Tutor or log in and request on-demand tutoring to be connected with the next Tutor available in the queue. Students should provide homework for which they wish to receive help or topics that they would like to cover.

TUTORING HOURS

OUR PARTNERS

The Nebraska Department of Education has awarded a grant to the Nebraska State Colleges to develop a program that provides free online tutoring to K-12 students in rural Nebraska.

OUR TUTORS

Tutors are full-time students at Chadron, Peru, and Wayne State Colleges who have been admitted to the teacher education program, have completed background checks, and received training through their teacher education program coursework.

HEMINGFORD FOOTBALL

Bobcat Nation, we are excited for another fall of Hemingford Football! Student-athletes, we hope you seriously consider being a part of this program. This program is accepting of ALL, no matter your ability! We have a very strong core of athletes participating this season, but there is always room for more! Don't miss out on this opportunity to develop as an athlete. Our coaches are dedicated to helping you reach your goals...athletic and personal! As a high school athlete, very few things rival playing on Bobcat Field under the Friday night LIGHTS! Come be a part of something larger than yourself. Come play a part in ringing that VICTORY BELL! Our Football Program is guided by student-athlete leaders and coaches that have a desire to inspire others to develop a growth mindset, dream big, compete, and strengthen themselves and others through the 5 Pillars of the Program: Commitment, Discipline, Effort, Toughness, and Pride. Whether you're a 7th Grader, 8th Grader, Freshmen, Sophomore, Junior, Senior, veteran football player or first-timer...we welcome you all and look forward to **YOU** having a positive impact on the Program!

CONDITIONING WEEK

Monday, August 3rd marks the first day of Football Conditioning for High School Football. Meet at 6:45AM in the HS locker room. Bring athletic clothes and football cleats if you have them (we do have some extras, contact Coach Dean if you'd like to check out the sizes ahead of time). We understand it is also Fair Week and encourage those that are committed to Fair to not neglect their Fair responsibilities. If you need to miss some days of Conditioning Week due to Fair, no worries, just let Coach Dean know if you are able (jdean@gubn.org). Conditioning week is not mandatory, but we do strongly encourage attendance if you are able. Conditioning week is a non-contact, non-football specific week, where we get a head start on developing speed, agility, and strength for the entire athletic year...this is important for injury prevention and also important for all sports, not just football. Junior High athletes are welcome to attend Conditioning Week as well if they would like to...reminder to Junior High athletes that this is non-contact, and non-football specific, it's simply an opportunity for you to work on your athleticism with your teammates!

PRACTICE

The first day of High School Practice will be **Monday, August 10th** (Time TBD and will be announced via school and football messaging system). The start date for Junior High Football Practice will be announced by Coach Branson, the head JH Football Coach. **High School student athletes, if you are unable to attend dates before the school year begins due to prior commitments, reach out to Coach Dean.**

MESSAGING SYSTEM

We will be moving away from Remind announcements to another service to be released at a later date. Don't hesitate to reach out directly to Coach Dean (jdean@gubn.org) between now and the unveiling of the new messaging system.

E-MAIL

If you have ANY questions about participating in HS or JH football this year, Coach Dean (HS) and Coach Branson (JH) would be happy to answer any questions you might have. Contact them at jdean@gubn.org or bbranson@gubn.org.

Scan this QR Code to take a look at the Hemingford Football Program Guide. If you have anything to add to the history of the Program Guide, please share it with Coach Dean (jdean@gubn.org).

**ALL are welcome to Hemingford Football! We look forward to YOU having a positive impact on the Program!
We look forward to YOU building relationships and memories that will last a lifetime! GUBN!**

EI-PAM-2 (99073) Rev. 09/2022

What Is Early Development Network Services Coordination?

Services Coordination means a central contact person, known as the services coordinator, is assigned to each family. Services Coordination helps families of children with special needs below age three:

- ✓ Find services to meet developmental, educational, financial, health care, child care, respite care, and other needs;
- ✓ Link with needed services;
- ✓ Work with multiple providers to make sure services are provided as needed; and
- ✓ Become coordinators of services for their own children in the future.

Services Coordination Activities

- ✓ Assisting parents of eligible children in obtaining access to needed early intervention services and other services identified in the Individualized Family Service Plan (IFSP);
- ✓ Making referrals to providers for needed services and scheduling appointments for eligible children and their families;
- ✓ Coordinating early intervention services and other services (such as educational, social, and medical services) for eligible children;
- ✓ Coordinating screenings (if applicable), evaluations, and assessments;
- ✓ Facilitating and participating in the development, review, and evaluation of IFSPs;
- ✓ Coordinating, facilitating, and monitoring the delivery of services to ensure that the services are provided in a timely manner;
- ✓ Informing families of their rights and procedural safeguards; and
- ✓ Facilitating the development of a transition plan to preschool or other services, if appropriate.

Who Is Eligible for Services Coordination?

Eligible families are those who have an infant or toddler below age three who qualifies for services because of a disability or developmental delay.

Year-round services coordination is provided.
There is no cost to families.

Hemingford Schools Child Find

Nebraska ChildFind provides information to parents, school personnel, and service providers on child development and special education for children from birth (or the date of diagnosis) to age 21. ChildFind also helps parents access information on rights and resources to help them advocate for an appropriate education for their child.

Does your child have trouble learning, speaking, hearing, seeing, walking, or participating in activities with other children? Are you concerned about your child's physical condition, learning, or development in other areas?

Contact Mandy Plog at the school for more information on Child Find, Special Education, the Evaluation process, and possible support for your child.
